Relative to Petition of Morris Levy for Refund of \$1200, License Tax Paid for the Privilege of Conducting Professional Boxing Exhibitions.

The following reports were presented and read by the Clerk:

Majority Report, Finance Committee.

San Francisco, Cal., Jan. 16, 1911.

To the Honorable,

Board of Supervisors,

City and County of San Francisco.

Gentlemen: After very careful consideration of the petition of Morris Levy, President, Hayes Valley Athletic Club, for refund of license fee, in sum of \$1,200, paid in March, 1907, for the holding of professional boxing exhibitions, and the facts in connection therewith as disclosed by the records in this office, we, the undersigned, a majority of your Finance Committee, do not feel disposed to make a recommendation, either adversely to or in favor of the granting of said petition, but desire to present a majority report referring the matter back to your Honorable Board without recommendation, together with a statement of the facts, as follows, to-wit:

The petition, which is a second application by Mr. Levy for a refund, was filed October 31, 1910, and was referred by your Honorable Board to the Police Committee, who recommended it for allowance to the Finance Committee on November 22, 1910.

Your Finance Committee considered the matter at various meetings, Mr. Levy attending two of the meetings in support of his petition.

On investigation of the records in the office, the following facts appear:

On March 11, 1907, a petition was filed, signed by Leo Bearwald, Vice-President, Hayes Valley Athletic Club, for permission to hold a professional boxing exhibition during the month of March, 1907.

This petition bears an endorsement that the Police Committee, meeting on March 14, 1907, were in favor of granting the petition, and that Committee reported to that effect to the Board of Supervisors.

On March 18, 1907, Resolution No. 872 was adopted by the Board of Supervisors, granting permission to the Hayes Valley Athletic Club to hold a professional boxing exhibition during the month of March, 1907, which resolution was approved by the Mayor on March 20, 1907.

The fact that a permit was granted is in direct contrast to the statement in Mr. Levy's petition to the following effect: "your petitioner was always ready and willing to hold exhibitions under said license, but was unable to procure a permit for said exhibitions from the Board of Supervisors, and therefore no exhibitions were held."

Mr. Levy stated to the Finance Committee that he held no exhibition under the permit, having been told by those in power not to hold such exhibition.

On June 12, 1908, a petition was filed by Mr. Levy for refund of \$1,200, license fee paid on March 27, 1907, for the holding of professional boxing exhibitions.

Mr. Levy stated to the Finance Committee that the custom had been established in the then Board of Supervisors of requiring clubs to pay the license fee before the granting of a permit, and that he was compelled to conform to this rule. It is to be noted that the resolution granting the permit was passed on March 18, 1907, some nine days prior to the payment of the license fee on March 27.

This first petition by Mr. Levy for a refund was referred by the Board of Supervisors to the Licenses Committee.

Mr. Levy stated that the Licenses Committee, in referring the petition to the Finance Committee, recommended it unanimously, but the endorsement on the petition and the Licenses Committee book show that no recommendation accompanied this reference, which was made on September 14, 1908.

The proceedings of the Finance Committee show that on September 18, 1908, this first petition of Mr. Levy for a refund was denied by that Committee.

The majority of your Finance Committee, in referring the matter back to your Honorable Board, desire to state that the facts are as recorded above, and that to the best of their belief Mr. Levy did not hold any exhibition under the permit granted nor any later exhibition during the period covered by the license fee.

Respectfully submitted,

JNO. KELLY,

JNO. L. HERGET.

Minority Report, Finance Committee.

San Francisco, Cal., Jan. 16, 1911.

To the Honorable,

The Board of Supervisors of the

City and County of San Francisco.

Gentlemen: In the matter of the petition of Morris Levy for a refund of \$1,200 license fee paid for permit to conduct boxing exhibitions during the year 1907, which permit was not used, and therefore petitioner believes money should be refunded, having been referred to the Finance Committee, and the majority of said committee not hav-

ing any specific recommendation to your honorable Board as to the granting or refusal of the refund, I beg leave to submit the following minority report.

Mr. Levy appeared before your Committee and made contradictory statements as to the circumstances surrounding the granting of this permit. He further gave certain reasons for not holding exhibitions. Upon investigation, I find Mr. Levy was granted a permit on March 18, 1907, and paid his license fee on March 27, 1907, and I am unable to find any action of the Board of Supervisors whereby he was denied the privilege of carrying on his shows. Further, I learn a similar petition to the one before our committee had been presented to previous Boards of Supervisors, and they denied the refund, all of which brings me to this conclusion:

First: A previous Board of Supervisors granted Mr. Levy this permit, and if there was any imposition or irregularity in the granting of same, it should have been corrected by that Board or a succeeding one, as they were able to learn the details of the transaction better than we are.

Second: It appears the payment of the license fee is voluntary, and as stated before, we have no record of the Board of Supervisors preventing Mr. Levy from giving exhibitions.

Third: The Finance Committee finds it difficult and very frequently wholly unable to meet justifiable claims made upon it for much needed improvements, and I therefore believe that in matters of this kind where the merits of the claim may at least be questioned, that it is our duty to deny the refund, and I do so recommend to your Honorable Board.

Respectfully submitted,

JNO. P. McLAUGHLIN,

Supervisor.

Privilege of the Floor.

Morris Levy obtained privilege of floor and addressed Board, stating that after he had paid for his license he was advised by members of the then Board of Supervisors not to hold his boxing exhibition. He also stated that he had paid for two licenses—an amateur and a professional, but was willing to waive the refund on the amateur license if the fee on the professional license was refunded. He declared that the City Attorney has stated that if he was a Supervisor he would grant the refund.

Motion.

Supervisor Walsh moved that matter lay over one week and City Attorney's opinion be obtained.

Motion carried by following vote:

Ayes—Supervisors Bancroft, Cutten, Deasy, Harris, Havden, Healy, Hocks,

NEW BUSINESS.

Relative to Miniature Railroad in Golden Gate Park.

Willis Polk, architect, was granted the privilege of the floor on motion of Supervisor McLaughlin and addressed the Board, stating that he was ready to build proposed miniature railroad and turn it over to Board of Park Commissioners at end of twenty-five years or city would have privilege of taking over at cost, less certain amounts for his trouble. He felt that the road would be a great convenience, would serve a useful purpose and should be built by city if city was in a position to do so.

Supervisor McLaughlin requested that Mayor inform Park Commission that matter is under consideration by Street Committee of Board of Supervisors and will be reported at next meeting.

So ordered.

ROLL CALL FOR PETITIONS FROM MEMBERS.

The following resolution was introduced out of order by Supervisor Hayden and adopted by the following vote: Telegram to President Taft Soliciting His Support for Panama-Pacific Exposition in San Francisco in 1915.

Resolution No. 7222 (New Series).

Whereas, It is the consensus of opinion that the President of the United States, of members of Congress, and of citizens in the nation generally, that an exposition be held commemorating the opening of the Panama canal; and

Whereas, The cities of San Francisco and New Orleans are now contending for the honor of being selected by Congress as the site for holding the Panama International Exposition; and

Whereas, The City of San Francisco and the State of California have guaranteed a sum of seventeen million five hundred thousand dollars to finance the exposition, and the City of San Francisco, by reason of its commanding position on the Pacific, its magnificent harbor, its splendid hotel facilities, its equable and healthful climate, and its trade relations with the Orient and with the world, is logically and sensibly the site for the Panama-Pacific International Exposition; and

Whereas, It is deemed advisable that President Taft be requested to exert his powerful influence on behalf of San Francisco in this contest; now therefore be it

Resolved, That the Clerk of the

Board be and he hereby is directed to forward the following telegram over the names of the members of this Board to Hon. William H. Taft, President of the United States:

Hon. William H. Taft, President of the United States, Washington, D. C.

The Board of Supervisors of the City and County of San Francisco respectfully petition you to the end that your influence may be exerted on behalf of San Francisco in the contest for the Panama Exposition. From every standpoint, every argument is in favor of this city, and your strong support is needed when Congress discusses the exposition question.

Ayes—Supervisors Cutten, Deasy, Harris, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, McLaughlin, Minehan, Murdock, Nelson, O'Dowd, Walsh—16.

The following resolutions were introduced under suspension of the rules and *adopted*:

Approval of Congressional Bill Improving Life-Saving Service.

On motion of Supervisor Loughery:

Resolution No. 7259 (New Series), as follows:

Whereas, There is pending before the House of Representatives of the United States, Senate Bill 5677, entitled, "A Bill to promote the efficiency of the Life Saving Service," a proposed measure in which are incorporated the essentials that will make for that degree of efficiency in the life saving service most desirable, inasmuch as its provisions contemplate an advancement of the personnel of the service to a superior standard of excellence by affording adequate and proper incentives for fidelity and devotion to duty and prolongation of employment, such efficiency considering the perilous nature of the employment conjoined with the beneficial achievements expected, being deemed absolutely indispensable; now therefore be it

Resolved, That the Board of Supervisors of the City and County of San Francisco, recognizing the necessity for efficiency of the highest grade in the life saving service, and with special reference to the need of such service along the ocean washed coasts of California, does hereby fully approve the said proposed measure and recommends its passage by the House of Representatives; and be it further

Resolved, That the members of Congress, representing the Fourth and Fifth Congressional Districts of California, be and are hereby requested to exert their best endeavors in further-

ance of the passage of said Senate Bill 5677.

JOURNAL OF PROCEEDINGS

BOARD OF SUPERVISORS

MONDAY, JANUARY 30, 1911.

In Board of Supervisors, San Francisco, Monday, January 30, 1911, 2:30 p. m.

The Board of Supervisors met in regular session.

CALLING THE ROLL.

The Roll was called and the following Supervisors were noted present:

Supervisors Bancroft, Cutten, Deasy, Harris, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, McLaughlin, Murdock, Nelson, O'Dowd, Pugh, Walsh—17.

Quorum present.

READING THE JOURNAL.

The Journal of the meeting of January 23, 1911, was read and approved.

ROLL CALL FOR PETITIONS FROM MEMBERS.

Protest Against Nuisance Caused by Dyeing and Cleaning Establishment at 3830 California Street.

The Clerk presented the following:
Protest—Of Arguello Boulevard Improvement Club, against nuisance caused by operation of dyeing and cleaning establishment at 3830 California street.

Ordered referred to Fire Committee.
Request for Arc Light on California Avenue, Between Virginia Avenue and Esmeralda Street.

Supervisor McLaughlin presented:
Petition—Of James Starrs, for an arc light on California avenue, between Virginia avenue and Esmeralda street.

Ordered referred to the Artificial Lights Committee.

Protest Again Change of Grade on Sansome Street, Between Jackson and Filbert Streets.

Supervisor McLaughlin presented:
Protest—From Mrs. Mary McDevitt and others, against change of grade on Sansome street, between Jackson and Filbert streets.

Ordered referred to the Streets Committee.

Recommended.

The following Resolution was, on motion of Supervisor Murdock, taken up under suspension of the rules and on his own motion *recommended to Fire Committee*:

Dyeing and Cleaning Establishment Permit, H. C. Hummell.

Resolution No. — (New Series). Granting permission, revocable at will of the Board of Supervisors, to Henry C. Hummel to conduct a dyeing and cleaning establishment, in accordance with Ordinance No. 745 (New Series) and conditions of the Fire Marshal, and to erect and maintain a boiler at southwest corner of Willard and Turk streets.

Laundry Permit.

The following Resolution was also taken up under suspension of the rules:

Resolution No. — (New Series). Granting permission, revocable at will of the Board of Supervisors, to H. Brousse to erect and conduct a laundry with boiler at 2412-2412½ Sacramento street.

Privilege of the Floor.

David Cornfoot, property owner, was granted the privilege of the floor and addressed the Board, opposing the granting of the permit, stating that the establishment of a laundry at that location would depreciate property values and be a menace to the health of the neighbors as well as a source of danger from fire.

A. P. Dissouslavy, attorney, representing A. Bergerot, attorney for petitioners, was also granted the privilege of the floor and addressed the Board, requesting that action be deferred two weeks until such time as Mr. Bergerot could attend, stating that he was now on his way from the East, but was snow-bound in the Sierras.

W. Lachman, owner of the property for which permit is requested, also addressed the Board, favoring the passage of the Resolution.

Refused Passage.

Whereupon, the question being taken, the foregoing Resolution was refused passage by the following vote:

Ayes—None.

Noes—Supervisors Bancroft, Cutten, Deasy, Harris, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, McLaughlin, Murdock, Nelson, O'Dowd, Pugh, Walsh—17.

Absent—Supervisor Minchan—1.

Full Acceptance, Cortland Avenue.

Supervisor McLaughlin introduced the following:

Bill No. 1652, Ordinance No. — (New Series), Providing for full acceptance of the roadway of Cortland avenue, between the westerly line of Bennington street and the westerly line of Bonview street (formerly Buena Vista street); Cortland avenue, between the westerly line of Andover street (formerly Andover avenue) and the westerly line of Bennington street, except the northerly one-half of the intersection of Cortland avenue and Wool street; Cortland avenue, between Moultrie and Ellsworth street; Cortland avenue, between the westerly line of Folsom street and the westerly line of Ellsworth street.

Privilege of the Floor.

Bernard P. Lapachet, attorney representing property owners, was granted the privilege of the floor and addressed the Board, opposing the passage of the bill, alleging that the character of the street work was defective, and that the price has been misrepresented by the solicitors.

C. A. Gray, representing Barber Asphalt Paving Co., also addressed the Board, declaring that work was up to the standard, and that any defect in the roadway was due to the clayey formation in that location, for which the company was in no way responsible.

J. Morse, property owner, was also granted the privilege of the floor and addressed the board, stating that the price of the work had been misrepresented by the solicitors who signed up the property owners, and that the actual cost greatly exceeded the estimate.

Edw. Spicer also opposed passage of the bill.

Action Deferred.

Whereupon, on motion of Supervisor Nelson, the foregoing bill was laid over one week by the following vote:

Ayes—Supervisors Bancroft, Cutten, Deasy, Harris, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, McLaughlin, Murdock, Nelson, O'Dowd, Pugh, Walsh—17.

Adopted.

The following resolutions were introduced under suspension of the rules and adopted by the following vote:

Urging Passage of Legislative Bills Providing for Maintenance of Fire Boats.

On motion of Supervisor Herget: Resolution No. 7299 (New Series), as follows:

Whereas, Bills are pending in the Legislature, providing that one-half of the expense of maintaining the fire boats "David Scannel" and "Dennis T. Sullivan" shall be paid by the State; and

Whereas, The protection afforded by said fire boats to the property of the State along the water front establishes the justness of the claim to a

division of the expenses incident thereto, therefore be it

Resolved, That the representatives of the City and County of San Francisco in the State Legislature be requested to urge the passage of said bills and to promote their enactment in all proper ways.

Ayes—Supervisors Bancroft, Cutten, Deasy, Harris, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, McLaughlin, Murdock, Nelson, O'Dowd, Pugh, Walsh—17.

Providing for Filing of Additional Bonds by City Officials.

On motion of Supervisor Herget: Resolution No. 7300 (New Series), as follows:

Whereas, It appears to the satisfaction of the Board of Supervisors of the City and County of San Francisco, that the bonds of the following officers are insufficient by reason of the incompetency and also by reason of the insufficiency of the Aetna Indemnity Company, and Surety Company, the sureties on said bonds, to-wit: Thomas F. Boyle, Auditor; John E. McDougald, Treasurer; David Bush, Tax Collector; C. M. Fickert, District Attorney; Thomas O'Dowd, Timothy B. Healy and John L. Herget, Supervisors; now, therefore

Resolved, That additional or supplemental bonds be and the same are hereby requested to be filed by the above named officers, and the amounts of said additional and supplemental bonds are hereby fixed and determined as follows:

Thos. F. Boyle, as Auditor, in the sum of \$50,000; John E. McDougald, as Treasurer, in the sum of \$75,000; David Bush, as Tax Collector, in the sum of \$100,000; Charles M. ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Referred.

The following resolution was introduced by Supervisor Hayden, and on motion of Supervisor Nelson, ordered referred to Education Committee:

Board of Education to Arrange School Vacations so That School Children Can Work Harvesting Fruit and Other Crops During the Summer.

Resolution No. — (New Series), as follows:

Whereas, The public schools in the City and County of San Francisco have in the past closed for summer vacation early in June, and reopened about the middle of July; and

Whereas, It appearing that in many localities of this State school vacations in the summer are arranged so that children are enabled to engage in harvesting the fruit, berry, grain, hop and other important crops, as well as engaging in allied industries, such as fruit drying, fruit packing, fruit and vegetable canning, etc.; and

Whereas, The early closing and opening of schools in San Francisco makes it impossible for families to engage in these industries, and they are thus deprived of earnings which are now enjoyed by Asiatic and other such class of labor, besides forcing the children of this city to return from their summer outings during the months when they are most benefited by a summer outing; and

Whereas, The earnings thus derived by families would be of material benefit to the merchants of San Francisco and would be the means of affording the poorer children of our city an opportunity of not only earning something during their vacations, but would also be affording hundreds of families a healthful outing, now, therefore, be it

Resolved, That this Board recommends and urges the Board of Education of the City and County of San Francisco to so arrange the summer

vacation period so that the children of our city shall be benefited from both a financial and healthful standpoint by having their vacation during the months of July and August.

Report of Streets Committee Relative to Miniature Railroad in Golden Gate Park
Adopted.

The following report was presented, read and adopted by the following vote:

San Francisco, Cal., Feb. 14, 1911.
To the Honorable, the Board of Supervisors of the City and County of San Francisco:

Gentlemen—The Committee on Streets, Sewers and Parks, to which was referred the communication addressed to the Honorable P. H. McCarthy, Mayor of San Francisco, requesting to be advised if there is any objection by members of the Board of Supervisors to the granting of permit for a miniature railroad over a portion of and in the same direction of the Great Highway, the same to start near the Cliff House and to end at the Sloat boulevard, begs to state that a full hearing was granted to Willis Polk, representative of the Great Highway Development Company, also D. V. Drew, president of the Richmond Central Improvement Club, who represented the protest of said improvement club, requesting a denial of the petition for so-called miniature railway along the Great Highway.

A protest of the Public Ownership Association against granting franchise for permit for miniature railroad or any other railroad in Golden Gate

Park, filed January 19, 1911, was also considered.

Your Committee went over the route of the proposed miniature railroad on Thursday, January 12, 1911, and on Thursday, January 19, 1911, the matter was considered by the Committee.

Mr. Willis Polk, representing the Great Highway Development Company, having no objections, the matter was referred to the City Attorney with the request that the Committee on Streets, Sewers and Parks be advised as to whether or not the Board of Supervisors can accept the offer and grant said Great Highway Development Company permission to construct said road over the Great Highway; also whether or not the Park Commissioners can accept the offer of the Great Highway Development Company and grant the permit.

The City Attorney on January 31, 1911, furnished the Committee on Streets, Sewers and Parks with an opinion as requested, the Committee is advised as follows:

1. That the Great Highway has been dedicated by the Board of Supervisors and the Legislature of this State as a boulevard, and that because of this dedication, and the general law governing such a dedication, the permit herein applied for cannot be granted, either by the Supervisors or the Park Commissioners.

2. That the Charter specifically prohibits the Park Commissioners and the Supervisors from granting the permit. The Great Highway was dedicated for boulevard purposes and should be reserved for pleasure and entertainment, as a beautiful scenic driveway along the ocean shore of this City and County to be used by all the people.

3. Your Committee therefore recommends that his Honor the Mayor be requested to inform the Board of Park Commissioners that the Board of Supervisors does not favor the granting of a permit to the Great Highway Development Company to run a miniature railroad over a portion of and in the same direction as the Great Highway, the same to start near the Cliff House and to end at Sloat boulevard.

Respectfully submitted.

The following Resolution was passed for printing:

Laundry and Boiler Permit.

On motion of Supervisor Minehan: Resolution No. — (New Series), Granting permission, revocable at will of the Board of Supervisors, to Mme. Fanlo to conduct a laundry and to erect and maintain a boiler of ten horsepower in premises situate at Nos. 1606

and 1608 Point Lobos avenue, the same to be used for laundry purposes.

Relative to Application of H. C. Hummel for Permission to Operate a Boiler and Maintain a Dyeing and Cleaning Establishment at the Corner of Willard and Turk Streets.

The following resolutions were introduced by Supervisor Minehan:

Resolution No. — (New Series), Granting boiler permit to Harry C. Hummel at premises situate on southwest corner of Willard and Turk streets, to be used for a dyeing and cleaning establishment.

Resolution No. — (New Series), Granting permission, revocable at will of Board of Supervisors, to Harry C. Hummel, to erect and maintain a dyeing and cleaning establishment in premises situate at the southwest corner of Turk and Willard streets, in strict accordance with the provisions of Ordinance No. 745 (New Series), and under the supervision and to the satisfaction of the Fire Marshal and the Health and Fire Departments.

Privilege of the Floor.

Joseph A. Brown, attorney representing protesting property owners, addressed the Board, opposing the passage of the resolutions. He stated that there were many contemplated and costly improvements to be made in the vicinity of the proposed dyeing and cleaning establishment in the near future, but that if the permit was granted the plans of the property owners in this regard would be changed, as the maintenance in that locality, which is destined to be of the high-class residential character, would be greatly depreciated by a dyeing and cleaning establishment.

J. S. Lampson, attorney representing petitioner H. C. Hummel, was also granted the privilege of the floor, and addressed the Board, favoring the passage of the resolution. He alleged that the property where his client intended to build was not at the present time a desirable place for residences, inasmuch as it was immediately adjoining the cemeteries, and his proposed building, which was to be of brick construction and separated from adjoining property by area space, could not be so objectionable, as the cemeteries which were already there.

Action Deferred.

Whereupon, on motion of Supervisor Hayden, the foregoing resolutions were *laid over one week*.

The following Resolutions were introduced under suspension of the rules and adopted by the following vote:

Board of Public Works to Give Precedence in All Architectural Plans for School Buildings to Considerations Providing for the Health and Comfort of Pupils.

On motion of Supervisor Murdock: Resolution No. 7362 (New Series), as follows:

Resolved, That the Board of Public Works be urged to use its ample authority to cause the Architectural Department to observe in all plans for school buildings close consideration of the use to which they are to be put.

The health and comfort of pupils should take precedence, and exterior appearance, while not to be neglected, should be subordinated to convenience in the conduct of the school. Especial attention should be paid to the placing of the building with a view to giving sunny playgrounds, the greatest available quiet and protection from cold winds. No classroom should be without the direct rays of the sun at some time of the school day and running water should be made easily available.

The responsibility of planning and erecting school buildings that shall for many years to come affect, for good or ill, the health and welfare of children is very great, and the Board of Supervisors, mindful of its share, earnestly urges the co-operation of all its associates in making our school buildings in every way creditable.

Adopted.

The following Resolution was introduced by Supervisor Kelly:

Opposing Proposed Amendments to Juvenile Court Law.

Resolution No. — (New Series), as follows:

Whereas, measures are pending in the Legislature proposing amendments to the "Juvenile Court Law," the effects of which are to materially increase the financial burdens of the City and County without the necessity therefor having been presented to the authorities of the City and County, therefore,

Resolved, That the Board of Supervisors protests against this method of legislation, and requests the representatives in the Legislature from San Francisco to oppose such measures; that copies of this resolution be transmitted to the members of the Legislature from this City and County.

Privilege of the Floor.

J. C. Saulman was granted the privilege of the floor and addressed the Board, calling attention to the additional expense that would be imposed on San Francisco by the passage of the proposed legislation.

The following Resolution was adopted:

Opposing Proposed Assembly Bill No. 1016 and Senate Bill No. 782, Relative to Taxation.

On motion of Supervisor Kelly:

Resolution No. 7367 (New Series), as follows:

Whereas, There are pending in the Legislature certain bills known as Assembly Bill No. 1016 and Senate Bill No. 782, amending Section 3825 of the Political Code, which measure, should it become a law, will decrease the revenues of San Francisco, as appears by the statement of Thos. F. Boyle, Auditor, who states: "If this (bill) had been in effect during the past five years the total loss to the County

would have been \$714,199.05, and the loss for 1910-11 would have been \$27,597.79," therefore be it

Resolved, That the Board of Supervisors, by this resolution calls attention to the iniquitous provisions of the bills above designated and hereby urges the representatives of the City and County in the Legislature now in session to vigorously and uncompromisingly oppose the passage of said bills; that the Senate and Assembly be memorialized to refuse the passage of said bills, that copies of this resolution be transmitted to all the members of the Senate and Assembly at Sacramento.

W. R. HAGERTY, Clerk.

FRIDAY, FEBRUARY 24, 1911.

In Board of Supervisors, San Francisco, Friday, February 24, 1911, eight (8) p. m.

The Board of Supervisors met pursuant to adjournment for the purpose of taking testimony and of making such investigations as would enable it to fix and determine heat, light and power rates for the year commencing July 1, 1911, and ending June 30, 1912.

Calling the Roll.

The roll was called and the following Supervisors were noted present:

Supervisors Bancroft, Cutten, Hayden, Healy, Kelly, Knowles, Loughery, McLaughlin, Nelson, O'Dowd, Walsh—10.

Quorum present.

His Honor Mayor McCarthy being absent, Supervisor Walsh was called to the chair.

Committee of the Whole.

On motion of Supervisor Knowles, the Board resolved itself into a Committee of the Whole, for the purpose of continuing the investigation preliminary to fixing heat, light and power rates for the year commencing July 1, 1911, and ending June 30, 1912, with Supervisor Walsh, chairman of the Artificial Lights Committee, in the chair.

The committee rose at 10:20 o'clock p. m., all members before noted being present.

Report of Committee of the Whole.

The Committee of the Whole reports that it has continued the inquiry preliminary to fixing and determining rates to be collected for heat, light and power supplied the City and County of San Francisco and the inhabitants thereof for the year commencing July 1, 1911, and ending June 30, 1912, as required by law.

That the following statement heretofore filed with the Board of Supervisors has been admitted in evidence, duly considered and designated exhibits as follows:

Exhibit No. 14—Communication— From the Mission Hotel, advising that it is unable to furnish information with any degree of exactitude as to the cost of its plant, etc., used in supplying light and power. (Filed Feb. 17, 1911.)

Exhibit No. 15—Communication— From Merchants' Ice and Cold Storage Company, advising that said company generates electricity solely for its own use. (Filed Feb. 18, 1911.)

Exhibit No. 16—Communication— From W. D. Brown, submitting statement showing investment, receipts and expenditures in supplying electric service at Ellis Hotel Apartments. (Filed Feb. 20, 1911.)

Exhibit No. 17—Communication— From the Western Metropolis National Bank, advising that steam heating plant in the Westbank Building is under lease to Equitable Light & Power Co., and that said company will give information necessary in heat, light and power rates investigation. (Filed Feb. 21, 1911.)

Exhibit No. 18—Communication— From J. A. Folger & Co., with statement showing cost of their power and steam plant and receipts and expenditures for the past year. (Filed Feb. 21, 1911.)

Exhibit No. 19—Communication— From the St. Francis Hotel, advising that it is supplying heat to the Hotel Stewart and the Columbia Theatre merely as an accommodation and that the total revenue obtained therefor is \$250 per month. (Filed Feb. 21, 1911.)

That it has heard the testimony of: W. D. Brown, representing Ellis Hotel Apartments, was duly sworn and testified as to his statement and petitions heretofore filed with Board of Supervisors, also of

Jno. A. Brittain, President of S. F. Gas and Electric Co., as to the reason for the variation of rates in outlying districts and downtown district, and as to a reasonable rate for electric service.

Frederick G. Cartwright, General Manager representing Equitable Light and Power Co., was duly sworn and testified in the matter of rates in downtown and residential districts.

Samuel L. Naphthaly, Manager City Electric Company, was duly sworn and testified and substantiated statements of Jno. A. Brittain, President of S. F. Gas and Electric Co., as to rates in residential and downtown districts.

Furthermore, your committee recommends that hearing now close and matter be referred to Artificial Lights Committee, and that said committee be directed to report an ordinance fixing heat, light and power rates for fiscal year 1911-12.

Report Adopted.

Supervisor McLaughlin moved that the report of the Committee of the Whole be adopted.

So ordered.

ADJOURNMENT.

There being no further business, the Board, at the hour of 10:30 o'clock p. m., adjourned.

W. R. HAGERTY, Clerk.

Approved by the Board of Supervisors February 27, 1911.

Pursuant to Resolution No. 3402 (New Series) of the Board of Supervisors of the City and County of San Francisco, I, W. R. Hagerty, hereby certify that the foregoing are true and correct copies of the Journals of Proceedings of said Board of the dates thereon stated, and approved as above recited.

W. R. HAGERTY, Clerk.

TUESDAY, FEBRUARY 28, 1911.

In Board of Supervisors, San Francisco, Tuesday, February 28, 1911, three (3) p. m.

The Board of Supervisors met pursuant to adjournment for the purpose of taking testimony and of making such investigations as would enable it to fix and determine water rates for the year commencing July 1, 1911, and ending June 30, 1912.

CALLING THE ROLL.

The roll was called and the following Supervisors were noted present:

Ayes—Supervisors Bancroft, Cutten, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Murdock, Nelson, O'Dowd, Pugh, Walsh—15.

Quorum present.

His Honor Mayor McCarthy being

absent, Supervisor Nelson, Chairman of the Water Rates Committee was called to the chair.

Committee of the Whole.

On motion of Supervisor Loughery, the Board resolved itself into a Committee of the Whole, for the purpose of continuing the investigation preliminary to fixing water rates for the year commencing July 1, 1911, and ending June 30, 1912, with Supervisor Nelson, Chairman of the Water Rates Committee, in the chair.

The Committee rose at 4:30 o'clock p. m., all members before noted being present.

Report of Committee of the Whole.

On behalf of Committee of the Whole, Supervisor Nelson, Chairman of the Water Rates Committee, reported as follows:

The Committee of the Whole reports that it has continued the inquiry preliminary to fixing and determining rates to be collected for water supplied the City and County of San Francisco and the inhabitants thereof for the year commencing July 1, 1911, and ending June 30, 1912, as required by law.

That the following matters heretofore filed with the Board of Supervisors have been admitted in evidence, duly considered and designated exhibits as follows:

*Exhibit No. 18. Communication—*From Stephen A. Byrne, Light and Water Inspector of the Board of Public Works, transmitting complaints filed with him against the Water Company since the last investigation.

(Filed February 21, 1911.)

*Exhibit No. 19. Communication—*From Spring Valley Water Company, relative to alleged incorrect condition of the meters in various police stations.

(Filed February 21, 1911.)

*Exhibit No. 20. Petition—*Of Daniel O'Connell, requesting that City Attorney be directed to cause a dissolution of injunctions and dismissal of suits in United States Circuit Court, under which Spring Valley Water Company and San Francisco Gas and Electric Company are collecting rates in excess of those established by the Board of Supervisors.

(Filed February 23, 1911.)

*Exhibit No. 21. Communication—*From Geo. H. Roundy, complaining of alleged excessive rate charged for water used by small consumers.

(Filed February 25, 1911.)

*Exhibit No. 22. Communication—*From City Attorney, with opinion that public obligation assumed by the Spring Valley Water Company is such as to compel it to supply the needs of the City and County of San Francisco.

(Filed February 27, 1911.)

Exhibit No. 23. Communication—
From Spring Valley Water Company,
transmitting statement showing result
of tests made of meters where com-
plaints have been received because of
sudden increase in water bills.
(Filed February 28, 1911.)

Exhibit No. 24. Communication—
From Spring Valley Water Company,
as to terms on which it will make
necessary extensions into districts now
inadequately supplied with water.
(Filed February 28, 1911.)

That it has heard the testimony of
Geo. H. Roundy, complaining of alleged
excessive rates charged to small con-
sumers for water service.

That it has also heard J. C. Camp-
bell, attorney representing J. T. Harms,
trustee of Treadwell Estate, request-
ing that City Attorney be instructed
to bring action compelling Spring Val-
ley Water Company to furnish water
to inadequately supplied districts.

On motion of Supervisor Kelly said
matter was referred to Water Rates
Committee with instructions to make
such recommendations to the Board as
it deems advisable.

C. D. Saulfield was also sworn and
testified as to alleged excessive rates
charged for water and as to inade-
quacy of service in Lake Honda Dis-
trict.

T. Treacy, representing contractors,
requested that water mains be put in
streets by either Water Company or by
the City in order that streets might be

finally accepted and improvements be
permitted to be made in outlying dis-
tricts.

S. P. Eastman, Vice President of
Spring Valley Water Company, was
also duly sworn and testified relative
to deposits required on meters.

On motion of Supervisor Healy the
matter of deposits charged for meters
was referred to water rates committee.

Hugo Schernert was also duly
sworn and testified as to alleged ex-
cessive rates charged for water service.

Further your committee recommends
that the Spring Valley Water Company
be permitted a week's further time
within which to file such other state-
ments and data as may be required
for the purposes of this investigation.

Furthermore your Committee recom-
mends that hearing now close and that
matter be referred to the Water Rates
Committee, and that said Committee be
directed to report a bill fixing and
determining water rates for the fiscal
year commencing July 1, 1911, and
ending June 30, 1912.

Report Adopted.

Supervisor Kelly moved that the re-
port of the Committee of the Whole
be adopted.

So ordered.

ADJOURNMENT.

There being no further business the
Board at the hour of 4:35 P. M. ad-
journed.

Adopted.

The following Resolution was introduced under suspension of the rules and adopted by the following vote:

Board of Public Works to Prepare Report Showing Buildings Affected by So-Called Shack Ordinance.

On motion of Supervisor Knowles: Resolution No. 7452 (New Series), as follows

Resolved, That the Board of Public Works be and is hereby requested to prepare, as soon as possible, a report showing all buildings that must be destroyed or removed on May 1, 1911, by operation of Ordinance No. 1139 (New Series), of this Board. Said report to show the location by street number, the character of building, the purpose for which used and such other information as may be necessary to a correct understanding by the members of the Board of Supervisors of the effect of said Ordinance No. 1139 (New Series).

Ayes—Supervisors Bancroft, Cutten, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, McLaughlin, Minehan, Murdock, Nelson, O'Dowd, Pugh, Walsh—17.

Overruling Objection to the Opening and Widening of Stanyan Street.

On motion of Supervisor Loughery: Resolution No. 7453 (New Series), as follows:

Whereas, This Board has by Resolution No. 7217 (New Series) declared its intention to widen North Stanyan street, from Fulton to McAllister street, in conformity with the provisions of article VI, chapter III of the Charter; and

Whereas, The notice of said Resolution and of said proposed widening of North Stanyan street was duly given by the Board of Public Works of the City and County of San Francisco by publication and posting in the manner provided by section 3 of chapter 3 of article 6 of the Charter of this City and County; and

Whereas, Within ten days after the expiration of the time of publication of said notice, S. A. Wohlke and J. P. Faivre did on the second day of February, 1911, file with the Clerk of the Board of Supervisors written objections to the widening of North Stanyan street, from Fulton to McAllister streets; and

Whereas, By Resolution No. 7371 (New Series), Monday, February 27, 1911, at the hour of 3:00 p. m., in the Chambers of the Board of Supervisors,

was fixed as the time and place for hearing said objections; and

Whereas, The hearing was continued until Monday, March 6, 1911, at the hour of 3:00 p. m.; and

Whereas, No other objections to the widening of North Stanyan street, from Fulton to McAllister streets, were made or delivered to the Clerk of this Board, and the Clerk of this Board has notified S. A. Wohlke and J. P. Faivre of the time so fixed for hearing objections, by depositing a notice thereof in the Post Office, postage prepaid, addressed to said S. A. Wohlke and J. P. Faivre; and

Whereas, Said S. A. Wohlke, J. P. Faivre, or no person or persons appeared before this Board to make objections; and

Whereas, It is the opinion of this Board that the public interest and convenience will be conserved by the widening of North Stanyan street, from Fulton to McAllister streets; now, therefore be it

Resolved, That said objections of S. A. Wohlke and J. P. Faivre be and the same are hereby overruled; and be it further

Resolved, That North Stanyan street, from Fulton to McAllister streets, be and the same is hereby ordered widened as follows, to wit:

Commencing at a point on the southerly line of McAllister street, distant thereon 431.83 feet westerly from the westerly line of Parker avenue, said point being the intersection of the southerly line of McAllister street and the westerly line of North Stanyan street; thence southerly and along the westerly line of North Stanyan street 215.29 feet to the northerly line of Fulton street; thence westerly and along the northerly line of Fulton street 35 feet; thence at right angles northerly and parallel to North Stanyan street 215.29 feet to the southerly line of McAllister street; thence easterly and along the southerly line of McAllister street 35 feet to the westerly line of North Stanyan street and the point of commencement.

Further Resolved, That the Clerk of this Board transmit a certified copy of this Resolution to the Board of Public Works, and that the Board of Public Works be instructed to make an assessment of benefits and damages and written report thereof to this Board in accordance with law.

Ayes—Supervisors Bancroft, Cutten, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, McLaughlin, Minehan, Murdock, Nelson, O'Dowd, Pugh, Walsh—17.

Ordering the Opening of Stanyan Street.

Also, Resolution No. 7454 (New Series), as follows:

Whereas, This Board has by Resolution No. 7216 (New Series), declared its intention to open Stanyan street from McAllister to Turk streets, in conformity with the provisions of Article VI Chapter III of the Charter; and

Whereas, The notice of said Resolution and of said proposed opening of Stanyan street from McAllister to Turk streets was duly given by the Board of Public Works of the City and County of San Francisco, by publication and posting in the manner provided by Section 3 of Chapter 3 of Article 6 of the Charter of this City and County; and

Clerk to Advertise for Proposals for Doing Official Printing for the Fiscal Year 1911-12.

On motion of Supervisor Minehan: Resolution No. 7455 (New Series), as follows:

Resolved, That the Clerk of this Board be and he is hereby directed to advertise for proposals for doing official printing for the year commencing April 1, 1911, and ending March 31, 1912, in accordance with the specifications prepared therefor by the Printing Committee of this Board.

Ayes—Supervisors Bancroft, Cutten, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, McLaughlin, Minehan, Murdock, Nelson, O'Dowd, Pugh, Walsh—17.

Referred.

The following Resolution was introduced by Supervisor Nelson and, on motion ordered *recommitted to Streets Committee*:

Board of Public Works to So Frame Permits for Street Work That Specifications Shall Contain a Condition Requiring All Gas and Water Pipes to Be Laid Before Street is Accepted.

Resolution No. — (New Series), as follows:

Whereas, Complaint has been made to this Board that the practice of granting permits by the Board of Public Works for private contracts for paving streets where no gas or water pipes are first laid, and accepting such work conditionally, requiring thereby, before full acceptance,

that said property owners be put to the additional expense of tearing up said pavement for the laying down of said pipes at some subsequent date is working an unnecessary hardship on many of our citizens, therefore be it

Resolved, That the Board of Public Works be and they are hereby requested to so frame such permits in the future as to exact a condition that all streets henceforth paved contain in the specifications a provision that all gas and water pipes be laid before the pavement is put down.

ADJOURNMENT.

There being no further business the Board, at the hour of 4 o'clock p. m., adjourned.

W. R. HAGERTY, Clerk.

Approved by the Board of Supervisors, March 13, 1911.

Pursuant to Resolution No. 3402 (New Series), of the Board of Supervisors of the City and County of San Francisco, I, Wm. R. Hagerty, hereby certify that the foregoing is a true and correct copy of the Journal of Proceedings of said Board of the dates thereon stated, and approved as above recited.

Referred.

The following resolution was introduced by Supervisor Murdock and on motion ordered referred to *Public Utilities Committee*.

Civic Organizations and Public Officials to Consider Purchase of Plant of Spring Valley Water Company.

Resolution No. — (New Series), as follows:

Whereas, The certain growth of San Francisco makes essential an immediate extension of the city's water supply, and

Whereas, A settlement through litigation of the differences between the City and the Spring Valley Water Company is subject to delays and does not promise relief within the time necessary to meet existing requirements, and

Whereas, There seems to be general agreement that the acquisition of all the property of the Spring Valley Water Company is highly desirable, both for present demands and as incidental to our final supply from the Sierras, and

Whereas, The probability of either an agreement to sell or to make the capital expenditure necessary to an adequate water supply would be greatly strengthened by an expression of the convictions held by representatives of the entire community without regard to party affiliation, and

Whereas, The common interest of all, in view of what San Francisco is pledged to do in the next four years, demands united, harmonious action that will command speedy results, therefore be it

Resolved, That an urgent invitation is hereby extended to the President or delegated representative of each of the following organizations to act in conjunction with the Public Utilities Committee in a determined effort to arrive at a settlement of the matters at issue:

The Merchants' Association, the Chamber of Commerce, the Labor Council, the Building Trades Council, the Real Estate Associates, the Clearing House Association, the Press Association, the Civic League, the Bar As-

sociation, California Development Board, the Commonwealth Club, the Board of Directors of the Panama-Pacific Exposition.

Resolved, That the President of the Board of Public Works, the City Engineer, the City and County Attorney, and any other officials designated by the Public Utilities Committee, be requested to co-operate in every way possible, through attendance at meetings, the furnishing of information, the offering of suggestions or otherwise.

That the Public Utilities Committee be requested to call an early meeting at which the situation may be fully discussed and steps taken to carry out conclusions reached.

If it is considered desirable to purchase the property of the Spring Valley Water Company it is advised that negotiations be entered into with the officers of the company with a view to agreeing upon a price which the representative body would pledge itself to recommend and support, and which the company would accept if purchase be authorized by the voters.

Resolved, That the Spring Valley Water Company be respectfully urged to meet us in the spirit which animates this effort to settle differences and in harmony with its recent communication. We recognize the difficulties to be overcome, but we feel that they are not unsurmountable if they are met in mutual consideration and with a common purpose to be just and fair.

Ayes—Supervisors Bancroft, Catten, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh.—17.

Install Home Telephone Service.

Also, Resolution No. 7484 (New Series), as follows:

Resolved, That the Bay Cities Home Telephone Company be and is hereby requested to install a Home telephone in the residence of Supervisor John I. Nolan, No. 1402 Guerrero street.

Ayes—Supervisors Bancroft, Catten, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh.—17.

Endorsing Senate Bill No. 1256, Authorizing Cities to Levy Taxes and Issue Bonds for Harbor Improvement.

On motion of Supervisor Nolan:
Resolution No. 7485 (New Series),
as follows:

Whereas, A Bill is pending in the Legislature of the State of California, known as Senate Bill No. 1256, authorizing cities and counties to levy and collect taxes for the purpose of providing a fund for the improvement, repair and maintenance of their harbors, and for the construction of wharves and piers, seawall, State or municipal railroad and spurs therealong, betterments, appurtenances, dredging and filling necessary in connection therewith, and to authorize such cities and counties to issue and sell their bonds to create a fund for such improvement, repairs, maintenance or construction, or any part thereof, or for the redemption, retirement and cancellation of any State bonds now or hereafter issued and sold to create a fund for any such purpose; therefore, be it

Resolved, That the Board of Supervisors hereby approves the purpose of said Bill and requests the members of the Legislature from the City and County of San Francisco to use their best endeavors to secure its enactment.

Ayes—Supervisors Cutten, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—16.

Absent—Supervisor Harris—1.

Excused from Voting—Supervisor Bancroft.

Explanation of Vote.

Supervisor Bancroft explained his vote by saying that he was not suf-

ficiently informed as to the details of the bill to vote intelligently.

Condemnatory of Ralston Bill Relative to San Francisco's Apportionment of Representatives in State Legislature.

Also, Resolution No. 7486 (New Series), as follows:

Whereas, The subject of a fair reapportionment of the State into Senatorial and Assembly districts is a matter of supreme importance to the City and County of San Francisco; and

Whereas, A Bill pending in the Legislature known as the "Randall Bill" provides that the City and County shall be divided into ten Assembly and six Senatorial districts, which is grossly disproportionate to its population and to that of the State; and

Whereas, Another measure known as the "Welch-Walker Bill" provides that the City and County shall be divided into sixteen Assembly and eight Senatorial districts, which is a just recognition of its claims; therefore, be it

Resolved, That the Board of Supervisors hereby protests against the passage of the Bill proposed in the Legislature by Assemblyman Randall as being unjust, unfair and unworthy of the support of reasonable men; that on the contrary, the so-called "Welch-Walker Bill" is eminently just and deserves the support of those who are fair-minded, and we request the members of the Legislature to enact the same.

Ayes—Supervisors Bancroft, Cutten, Deasy, Hayden, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—17.

ADJOURNMENT.

There being no further business, the Board at the hour of 3:50 o'clock p. m., adjourned.

W. R. HAGERTY, Clerk.

Bucket Shop Ordinance.

The following Bill was introduced Supervisor Herget:

Bill No. 1632, Ordinance No. — (New Series), entitled, "An Ordinance to prohibit bucketing and bucket shopping and to abolish bucket shops."

Passed for Printing.

Carroll Cook, attorney representing protestants, was granted the privilege of the floor, and addressed the Board, asking that matter go over one week, inasmuch as similar legislation was pending before State Legislature.

H. Moss, stockbroker, was also granted the privilege of the floor and addressed the Board, opposing the passage of the Bill, for the reason that it singled out his business and by its terms made him the operator of a bucket shop. He requested that the Bill lay over one week.

John Percy, attorney, was also granted the privilege of the floor and addressed the Board, stating that the Bill before the Board of Supervisors was a verbatim copy of the congressional Bill passed in Washington, prohibiting bucketing and bucket shopping in the District of Columbia, and was calculated to reach only those firms who were not doing a legitimate stock and bond business, but were merely gambling on margins.

Motion.

Supervisor Hocks moved that the matter lay over one week.

Motion lost by the following vote:

Ayes—Supervisors Cutten, Hayden, Hocks—3.

Noes—Supervisors Bancroft, Deasy, Healy, Herget, Kelly, Knowles, Loughery, Nolan, Murdock, Nelson, O'Dowd, Pugh, Walsh—13.

Absent—Supervisors Harris, Minehan—2.

Passed for Printing.

Whereupon the foregoing Bill on motion of Supervisor Herget was passed for printing by the following vote:

Report of Judiciary Committee Relative to Alleged Vacancy Existing in Office of Sheriff by Reason of Election of Sheriff Finn to the State Legislature.

San Francisco, Cal., March 20, 1911.
To the Honorable, the Board of Supervisors of the City and County of San Francisco:

Gentlemen—Your Committee on Judiciary, to which was referred the matter of the communication of J. E. Cutten, calling attention to Section 4 of Article 16 of the Charter, and stating that inasmuch as Sheriff Finn is a member of the State Legislature, a vacancy exists in the office of Sheriff of San Francisco.

Your Committee would respectfully state that the subject matter of the above communication was carefully considered, and it is the judgment of your Committee that the power to determine the validity of this matter as to a vacancy being caused in the office of Sheriff, does not rest in the Board of Supervisors, and consequently would recommend that the communication be placed on file.

Respectfully submitted,

(Signed) ROBERT T. LOUGHERY,
PAUL BANCROFT,
T. P. O'DOWD.

BOARD OF SUPERVISORS

TUESDAY EVENING, MARCH 21, 1911.

In Board of Supervisors, San Francisco, Tuesday evening, March 21, 1911, eight (8) p. m.

The Board of Supervisors met pursuant to Resolution No. 7437 (New Series), for the purpose of considering proposed amendment to Ordinance No. 1139 (New Series), known as the "Shack Ordinance", which amendment eliminates from said ordinance all temporary buildings erected outside of fire limits since April 18, 1906.

His Honor Mayor McCarthy being absent, Supervisor Kelly was called to the chair.

CALLING THE ROLL.

The roll was called and the following Supervisors were noted present:

Supervisors Bancroft, Hayden, Healy, Herget, Hocks, Kelly, Loughery, Murdock, O'Dowd, Pugh, Walsh—11.

Relative to Enforcement of So-Called "Shack Ordinance."

Privilege of the Floor.

Frank W. Marston, representing the Downtown Association, was granted the privilege of the floor, protesting against any extension of time whatever in the matter of permitting shack buildings erected without warrant of law since April, 1906. He said such buildings were unsightly and would make a very bad impression on the visitors to this City during the Exposition.

Geo. C. Boardman, representing the Merchants' Association, also protested against the maintenance of the temporary buildings within the fire limits, but stated that he had no objection to an extension of time for temporary buildings outside the fire limits.

John Partridge, representing the Cowle Estate, stated that there was no question but that the temporary buildings should not be pulled down and destroyed in due time, that they should not be allowed to permanently remain, but he declared that if the Ordinance passed by the Board of Supervisors requiring the destruction of all such buildings by the 1st of May, 1911, that it would create a financial

panic in San Francisco inasmuch as a large amount of capital was invested in these buildings and many leases had been entered into covering a period beyond the date set for the destruction. He favored conservative action in the matter and a policy of gradual demolition so that business interests and persons whose capital was invested would not be seriously injured.

Edward Graney, taxpayer, representing himself, also addressed the Board, and stated that he had leased two buildings at the water front, for which he was paying \$1000.00 per month and which he expected that he would have to continue to pay if the buildings were destroyed. He felt that that was a hardship which should not be imposed upon him. He stated further that the City itself was maintaining within the fire limits many temporary buildings now being used for firehouse purposes and for school purposes which it was not in a position to replace with permanent buildings. He did not see how the City could compel property owners to destroy their buildings and replace them with permanent buildings when the City itself was violating the law in the matter.

J. M. Kepner, representing the Downtown Association, spoke for those capitalists who had mortgaged their property for the purpose of building permanent buildings and were unable to rent them because of the cheaper shack buildings with which they had to compete.

N. A. Dorn, attorney representing commission men, stated that the temporary buildings were a necessity in 1906 and are still a necessity in this City, as some lines of business do not warrant the construction of more pretentious buildings. He stated that many members of the Merchants' Association were maintaining shack buildings within the fire limits and if said association wanted such buildings demolished, why not have its own members demolish their buildings. He stated that in the commission business the busy season was just commencing and if temporary buildings in which the commission merchants were

housed were destroyed by May 1, it would work a severe injury on that line of business, as it will be impossible within the short time allowed to get suitable accommodations for the commission merchants. He suggested that the Board adopt some reasonable mode of gradual elimination of said buildings in order that there will be no serious injury done to anyone.

Dr. G. M. Converse, representing Marine Hospital Service, presented the following communication relative to the matter in hand:

U. S. Public Health and Marine-Hospital Service. Office of Medical Officer in Command.

San Francisco Field Force, Brenham place, between Clay and Washington streets. March 16, 1911.

The special conditions that made it necessary for San Francisco to request the U. S. P. H. Service to assume charge of some special sanitary problems have, for the time being, been wholly removed.

Intimate knowledge of these improved condition makes it possible to assert, as the Exposition Committee did in Washington, that the sanitary condition of San Francisco today, is second to none; and this would end the matter were it not for the fact that the same question that has been eliminated from the city has to be taken up in some ten counties, over an area covering 20,000 square miles, all of which is in direct communication with the city. To this phase of the problem Dr. Blue is devoting all of his energies and making use of all available resources.

To accomplish the results that have been obtained here has cost the United States Government more than a million dollars; it cost the citizens in contributions over one hundred thousand dollars and the city probably a similar amount.

Today the Service is spending for San Francisco over five thousand dollars a month. This present expenditure is in the nature of an insurance against the return of trouble.

It is in your power to-night to do your share in abating the one remaining insanitary feature.

The temporary buildings within the fire limits are almost all built on old fire ruins and in such a manner as to make each and every one of them an ideal place for the harboring of rats.

In some ten or fifteen blocks of the wholesale food section alone over eight thousand rats have been trapped and there is no end to them so long as the present buildings remain there.

Prior to May 1st of last year the removal of some seventy of the temporary buildings in that section was accomplished through condemnation

proceedings being brought by this Service through the Board of Health and a similar number of fine permanent buildings erected.

Since that time and in deference to the wishes of your Honorable Body as expressed here, that a continuance of one year be granted, nothing further was done by the Service in this matter.

Again, it is a fact that some permanent buildings have been infested with rats coming from their improperly constructed temporary neighbors.

In view of these facts the U. S. P. H. Service, in the interest of the preservation of the sanitary condition of San Francisco, respectfully urge that your Honorable Body allow the law to take its course.

By so doing the temporary buildings within the fire limits, so objectionable from many points of view and a menace to the continuance of the good public health of the city, will be done away with; such buildings outside the fire limits as are contemplated by this ordinance, will, in due time, through the appropriate machinery of the Board of Works and of the Board of Health be razed or made to comply fully with the building and health laws of the city, and the refugee shacks will in like manner, and without undue hardship on any one, be eliminated from the sanitary problems of the city.

G. M. CONVERSE,

A. A. Surgeon U. S. P. H.

J. Sweeney, representing the Water Front Improvement Association, stated that many of the temporary buildings on the water front were unsightly and insanitary, and in view of the large number of visitors that would be coming to San Francisco in the near future, that said buildings should be removed.

James G. Maguire, also addressed the Board, in opposition to the enforcement of the Shack Ordinance at the present time. He stated that at the time of its adoption it was felt that the good times which business would enjoy in San Francisco would enable those who had invested their capital in these buildings to get it out without loss within a period fixed by the ordinance, but that the good times that had been anticipated did not materialize, that the financial panic of 1907 and subsequent depression in business was a heavy burden on the people and the enforcement of the ordinance under present conditions would work irreparable damage.

Wm. J. Herrin, attorney, representing Thomas Morton & Son, coal dealers, also addressed the Board, opposing the enforcement of the ordinance on the ground that it would work great injury to his client.

Dr. Wm. F. McNutt, Health Officer, also addressed the Board, favoring the enforcement of the so-called shack ordinance.

Geo. K. Frink, property owner, also opposed the enforcement of the ordinance at the present time for the reason that business conditions did not warrant the construction of a better class of buildings on his property.

J. E. Brannan, property owner, also addressed the Board, stating that if his temporary buildings were destroyed, his only source of revenue would be lost to him, as he had no means nor was there a demand for a better class of building on his property.

R. M. J. Armstrong opposed any extension of time in the matter of the enforcement in the so-called "Shack Ordinance."

Mark L. McCord of Elgin Park also opposed the enforcement of the ordinance at the present time, owing to the depressed condition of business.

James Doran, property owner, stated that he had a temporary building on his lot on Natoma street, between First and Second streets, in which he was conducting a blacksmith business, that the building cost him \$1200.00 and that owing to business depression has not paid since it was constructed. He opposed the enforcement of the ordinance as it would deprive him of his livelihood.

Edw. Lynch, representing the West End Betterment Club, addressed the Board, stating that said club had endorsed the resolutions of the Merchants' Association for the enforcement of the so-called "Shack Ordinance."

H. J. Lavalle, representing Mission Promotion Association, also addressed the Board, favoring the enforcement of the ordinance.

W. Elliott, first vice-president, Chamber of Commerce, protested against any extension of time in the matter of the enforcement of the ordinance, and stated that he endorsed the remarks made by Geo. C. Boardman of the Merchants' Association.

Thomas R. Murphy, Chief of Fire Department, stated that two of the most serious fires of the present year were in shack buildings. He favored the enforcement of the ordinance.

Chas. Towe, Fire Marshal, also addressed the Board, favoring the enforcement of the Ordinance.

Motion.

Supervisor Kelly moved that a committee consisting of the Mayor, City Attorney, President of Board of Public Works, Building Committee of the Board of Supervisors, Building Inspector of the Board of Public Works, Chief of the Fire Department, Fire Marshal, President of Board of Health and Dr. G. M. Converse of the United States Marine Hospital Service, be appointed to prepare some scheme of enforcing the so-called "Shack Ordinance" by a process of gradual elimination, whereby no injury would be worked on anyone.

Motion carried.

ROLL CALL FOR PETITIONS FROM MEMBERS.

San Francisco Granted Extension of Time Within Which to Show Cause Why Hetch Hetchy Valley Reservoir Site Should Not be Eliminated from the Garfield Permit.

The following communication was presented and read by the Clerk:

Secretary of the Interior, Washington, March, 20, 1911.

Gentlemen:

Consideration has been given to the application of January 20, 1911, from Acting Mayor Kelly of San Francisco, for an extension from June 1 to December 1, 1911, of the time allowed by the order of February 25, 1910, within which to show cause why so much of the permit granted to said city on May 11, 1908, as relates to the Hetch Hetchy Valley and Reservoir Site should not be eliminated from said permit, such application being based upon the report to the Mayor by City Engineer Marsden Manson recommending the same.

The correspondence is transmitted to the Department through the Board of Officers of the Engineer Corps of the Army designated by the President to act in an advisory capacity in connection with the disposition of the matter in question. It is stated by the Board that the extension of time requested will be of advantage to it in its study and analysis of the data submitted by the City.

The reasons for the application are that the work in hand has proven of greater magnitude than it was originally anticipated it would be, and that the order of February 25, 1910, was issued after the city budget was fixed so that the amount of money needed by the City Engineer to carry on his investigations looking to the securing of all available data could not be supplied before February, 1911.

The reasons given being deemed sufficient, and no objection appearing, the extension of time from June 1 to December 1, 1911, is hereby granted with

the understanding that the terms and conditions of the order of May 27, 1910, are in no other particular modified or changed. Hearing on said order will be continued until the hour of ten o'clock a. m., on December 1, 1911.

Very respectfully,

(Signed) WALTER L. FISHER,
Secretary.

Authorizing County Clerk to Appoint Four Additional Clerks and Sheriff to Appoint Four Additional Bailiffs for Superior Courts.

The following Bill, heretofore *passed for printing*, was taken up:

Bill No. 1694, Ordinance No. — (New Series). Authorizing the County Clerk to appoint four additional clerks for the Superior Court at a monthly salary of \$125.00 each, and the Sheriff

to appoint four additional bailiffs for said Superior Courts at a monthly salary of \$100.00 each; said appointments to date as from May 1, 1911.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. In accordance with the recommendation of his Honor the Mayor, filed March 10, 1911, the County Clerk is hereby authorized to appoint four additional clerks for the Superior Courts at a monthly salary of \$125.00 each, and the Sheriff to appoint four additional bailiffs for said Superior Courts at a monthly salary of \$100.00 each, said appointments to date as and from May 1, 1911, and to be made in conformity with Section 35 of Article 16 of the Charter.

"and to be operative only during the sessions of the Courts called in from the outside counties to dispose of the accumulated cases on the calendars of the Superior Courts."

Section 2. This Ordinance shall take effect from and after May 1, 1911.

Substitute Resolution.

Supervisor Murdock submitted the following Resolution as a substitute for foregoing Bill:

Resolution No. — (New Series).

In view of the uncertainty of the time for which the clerks and bailiffs will be required in Court of the outside judges called in to relieve the calendars of the Superior Courts, and in view of the necessity for retrenchment in municipal expenditures; be it

Resolved, That the County Clerk be authorized and requested to detail four of his present deputies to act as clerks of the four additional Courts; and be it further

Resolved, That the Sheriff be authorized and requested to detail four of his present deputies to act as bailiffs of the four additional Courts.

Amendment.

Supervisor Murdock also submitted the following amendment to foregoing Bill to be inserted after the words "May 1, 1911" in Section 1 of the above Bill in case his Resolution was not acceptable:

"and to be operated only during the sessions of the courts called in from outside counties to dispose of the accumulated cases on the calendar of the Superior Court."

Action Deferred.

Whereupon, the foregoing Bill, together with substitute and amendment, were laid over one week for consideration.

Minority Report of Police Committee.

Supervisor Deasy presented the following minority report and moved its adoption:

San Francisco, March 27, 1911.

To the Honorable, the Board of Supervisors of the City and County of San Francisco:

Gentlemen—The undersigned, a minority of your Police Committee, begs leave to report in the matter of the application for a professional boxing permit for the month of April, as follows:

At the beginning of the present year in formulating a policy for the granting of permits, for professional boxing exhibitions during the year, it was agreed by the Police Committee that three clubs would be recognized, viz: Broadway Club, Shasta Club and Centennial Club, and permits were to be granted the clubs in the order named. The Broadway Club was granted its permit for the month of January, the Shasta Club for the month of February, but when it came to granting the

permit for March, another club (Metropolitan Club), made application, was given consideration and granted the permit, with the understanding that four clubs would be granted permits, and the Centennial would receive the one for April. When it came to considering applications for April, the Broadway Club again made application and the majority of your Police Committee voted in favor of granting the permit to that club, notwithstanding that a permit had been promised to the Centennial Club.

The above is a true statement of the facts of the case and of the agreement among the members of the Police Committee in the matter of granting professional boxing permits. I, as a member of the Police Committee and of the Board of Supervisors, feel that I am in honor bound to support the Centennial Club in its petition for recognition. The Centennial Club was formerly an amateur club and received permits from this Board, but on the strength of the promises of the Police Committee, it withdrew from the amateur ranks and made application for a professional permit. By the action of the Committee in refusing it the permit for the month of April, said club is entirely eliminated from the game, as it will not receive the professional permit and cannot receive an amateur permit, for the reason that the Committee has already selected the eight amateur clubs to which amateur permits will be granted during the year.

The undersigned, therefore, respectfully recommends the passage of the resolution hereby submitted granting to the Centennial Club, permission to conduct a professional boxing exhibition during the month of April, 1911, which I feel they are rightfully entitled to, and which they were promised by the Committee. Respectfully submitted,

(Signed)

C. J. DEASY,
Supervisor.

City Attorney to Represent San Francisco in Washington in Obtaining Modification of Order to Show Cause Why Hetch Hetchy Valley Reservoir Site Should not be Eliminated in Garfield Permit.

On motion of Supervisor Pugh:
Resolution No. 7561 (New Series), as follows:

Whereas The order to show cause why the Hetch Hetchy reservoir site should not be eliminated from the grant of the Secretary of the Interior of May 11, 1908, is now pending in the Interior Department at Washington, D. C., and,

Whereas, Said order to show cause has cast a cloud of uncertainty over the entire municipal water project of this City and County; and

Whereas, Said order to show cause specifically provides that pending the hearing of said order to show cause no

attempt shall be made by said City or any of its officers or agents to acquire as against the United States any other or different rights to the Hetch Hetchy Valley than it now has under said permit of May 11, 1908; therefore, be it

Resolved, That City Attorney Percy V. Long, be and is hereby requested to proceed to Washington at such time as he may deem advisable and to make all possible efforts to have said order so modified that the rights of the City may be protected and, be it further

Resolved, That City Attorney Percy V. Long is hereby authorized to represent the City and County of San Francisco before all of the departments of the national government in all matters and proceedings by or against the City and County of San Francisco in relation to the acquisition of the said municipal water supply.

Granting Supervisor John I. Nolan Thirty Days' Leave of Absence.

On motion of Supervisor Kelly:

Resolution No. 7593 (New Series), as follows:

Resolved, That Supervisor John I. Nolan be and is hereby granted a leave of absence from State for thirty (30) days from April 6, 1911.

Ayes—Supervisors Bancroft, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—15.

Referred.

The following resolution was introduced by Supervisor Murdock and ordered *referred to the Building Committee*:

Providing for the Construction of a Public Auditorium on the Old City Hall Site.

Resolution No. — (New Series), as follows:

Whereas, A spacious auditorium is among the most urgent needs of the City of San Francisco, apparently impossible to secure through private enterprise, and desirable as a public meeting place under municipal ownership and control; and

Whereas, Such building is indispensable to the Panama-Pacific Exposition, and to properly fulfill its office its location must be central, irrespective of the site to be selected for the general group of buildings; and

Whereas, the site of the former City Hall is admirably adapted for such a purpose, but in the judgment of the foremost authority in the laying out and improving of cities cannot be made the center of a comprehensive plan conforming to the topography and existing streets of the city; and

Whereas, the various departments of the city will be well and economically accommodated for several years to come in the temporary building now being erected, which will allow for an increase of taxable property making possible a future bond issue that will provide for the permanent City Hall that the City must some day have, an imposing structure fittingly located; and

Whereas, the City of San Francisco has liberally subscribed for the great exposition and is entitled to ask that as far as expedient the expenditures to

be made conduce to the ultimate good of the city through the erection of buildings that will be of permanent value; therefore be it

Resolved, That the free use of the old City Hall lot be tendered to the Directors of the Panama-Pacific Exposition, and that they be asked to use such portion of the contributions of the City and County as they may deem proper in the erection thereon of a permanent auditorium, beautiful and commodious—the building to be under the full control of the Board of Directors for the exclusive use of the exposition during its continuance and to revert to the city, unencumbered, at its close.

Adopted.

The following resolution was introduced under suspension of the rules, and *adopted*:

Install Home Telephone Service.

On motion of Supervisor Nelson:

Resolution No. 7594 (New Series), as follows:

Resolved, That the Bay Cities Home Telephone Company be and is hereby requested to install a telephone in the office of Coroner Walsh, in the City of Paris Building, for the transaction of official business.

Ayes—Supervisors Bancroft, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—15.

Passed for Printing.

The following resolution was introduced under suspension of the rules and *passed for printing*:

Oil Permit, Herman Rogers.

On motion of Supervisor Pugh:

Resolution No. — (New Series), as follows:

Resolved, That permission, revocable at will of the Board of Supervisors, be and is hereby granted Herman Rogers to erect and maintain a storage tank of not more than 1700 gallons' capacity in premises situate at southeast corner of Van Ness avenue and Green street, for the purpose of storing therein crude petroleum to be used as fuel under boilers in said premises.

Said permission is granted with the approval of the Fire Marshal, who shall prescribe the conditions governing the exercise of this privilege, and shall also see that said conditions are strictly conformed to by said Herman Rogers.

ADJOURNMENT.

There being no further business, the Board at the hour of 4:30 o'clock p. m. adjourned.

W. R. HAGERTY, Clerk.

Approved by the Board of Supervisors, April 10, 1911.

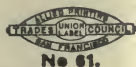

Pursuant to Resolution No. 3402 (New Series), of the Board of Supervisors of the City and County of San Francisco, I, Wm. R. Hagerty, hereby certify that the foregoing is a true and correct copy of the Journal of Proceedings of said Board of the dates thereon stated, and approved as above recited.

Relative to Preservation of Sloop of War "Portsmouth" as an Historic Relic.

On motion of Supervisor Murdock: Resolution No. 7677 (New Series), as follows:

Whereas, The United States Sloop-of-War "Portsmouth" is intimately associated with the history of San Francisco, having come into the harbor in

June, 1846, bearing the forces that took possession of the country in the name of the United States and gave protection to the people, and

Whereas, It has been announced that this historic vessel is now about to be condemned and either sold for junk or converted into a hospital ship, now, therefore,

Resolved, By the Board of Supervisors of the City and County of San Francisco that it protests against this disposition of a gallant ship whose memorable career is dear to the hearts of all loyal Californians; also

Resolved, That the Honorable Secretary of the Navy be earnestly requested to refit the "Portsmouth" and that it be dispatched to San Francisco, here to remain and to be preserved and cared for in consideration of its services to the State as a relic of historic importance; also

Resolved, That a copy of this resolution be transmitted to the Honorable Secretary of the Navy.

Board of Public Works to Submit Approved Design of Street Name Signs.

Resolution No. 7678 (New Series):

Whereas, A very obvious need of San Francisco is better labeling of streets, so that strangers may find their way without the aid of the police; and

Whereas, The expense to the city of marking all the street corners would be a sum too large to be met from the present municipal treasury, while the cost to each property owner for a modest sign would be inconsiderable, and of great advantage in many ways; therefore be it

Resolved, That the Board of Public Works be requested to formally adopt an inexpensive design of a suitable strip of metal or wood, and report price at which they can be furnished and installed, that public-spirited property owners or occupants whose buildings are not now marked, and where street names are not embedded in the sidewalks or displayed on street lamps, may supply the much needed information; it being suggested that within the fire limits the strips of iron and porcelain, and for the outside district of wood; and be it further

Resolved, That all owners of corner lots be urged to contribute to the general good through complying with this requirement, which would result in greatly increased comfort and convenience to our many visitors, and give them a much more favorable impression of the city; and be it further

Resolved, That the Merchants' Association, the Downtown Association, the Mission Promotion Association, and

improvement clubs and associations generally, be earnestly invited to co-operate in this movement, that all streets, including those in the outside districts not covered by buildings, may be clearly designated, and that the proper official names may be made familiar to all.

The following Resolution was adopted:

Board of Public Works to Adopt Street Name Sign Design.

Resolution No. 7740 (New Series), as follows:

Whereas, A very obvious need of San Francisco is better labeling of streets, so that strangers may find their way without the aid of the police; and

Whereas, The expense to the City of marking all the street corners would be a sum too large to be met from the present Municipal Treasury, while the cost to each property owner for a modest sign would be inconsiderable, and of great advantage in many ways; therefore, be it

Resolved, That the Board of Public Works be requested to formally adopt an inexpensive design of a suitable strip of metal or wood, and report price at which they can be furnished and installed, that public-spirited property owners or occupants whose buildings are not now marked, and where street names are not embedded in the sidewalks or displayed on street lamps, may supply the much needed information; it being suggested that within the fire limits the strips be of iron and porcelain, and for the outside district of wood; and be it further

Resolved, That all owners of corner lots be urged to contribute to the general good through complying with this requirement, which would result in

greatly increased comfort and convenience to our many visitors, and give them a much more favorable impression of the City; and be it further

Resolved, That the Merchants' Association, the Downtown Association, the Mission Promotion Association, and improvement clubs and associations generally, be earnestly invited to co-operate in this movement, that all streets, including those in the outside districts not covered by buildings, may be clearly designated, and that the proper official names may be made familiar to all.

Ayes—Supervisors Cutten, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Walsh—14.

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Assessor to Assess Property at Full Cash Value in Accordance With Law.

Supervisor Kelly introduced the following:

Resolution No. — (New Series), as follows:

Whereas, The adoption of Senate Constitutional Amendment No. 1 by the People of the State of California will operate to remove from the list of taxable property within the City and County of San Francisco, property heretofore assessed at approximately \$65,000,000, the tax upon which estimated upon the rate of taxation for 1910-11 would amount to \$738,000, this sum being the approximate loss to the City and County by reason of the adoption of the aforesaid constitutional amendment, and

Whereas, There was levied for the last fiscal year an emergency tax of twenty-nine cents on each \$100 of assessed valuation for repairs to streets, sewers, for the repair and reconstruction of public buildings and for the enforcement of sanitary measures, the basis of such tax being due to the damage caused by fire and earthquake of 1906, which tax raised for the purposes stated the sum of \$1,500,000, and

Whereas, Said tax is being paid un-

der protest by many of the larger taxpayers, thus imposing upon the City the expense of defending a multitude of tax suits and jeopardizing the financial standing of the City, and making it inexpedient to continue the levy of such emergency taxes, excepting as a means of last resort; and

Whereas, The recent Legislature imposed additional financial burdens upon the City, at the same time reducing the amount of State school funds to be apportioned to this County, all of which will add to the burden of the City by approximately \$100,000; and

Whereas, Recent charter amendments impose an additional expense upon the City of approximately \$60,000; and

Whereas, The regular increasing demands of the City due to its growth and the installation of new institutions require additional appropriations aggregating a large sum, and

Whereas, The taxable property within the City and County is listed, according to the public statement of the Assessor, at from between 50 and 60 per cent of its true value, and

Whereas, Section 3627 of the Political Code requires the Assessor of every County in the State to assess all property at its "full cash value," and

Whereas, Similar existing conditions are being met in other cities of the State by material increases in their assessment rolls; therefore,

Resolved, That it is the opinion of the Board that the only safe manner by which a sufficient revenue may be obtained for the City and County to meet its absolute necessities for the next fiscal year is to levy a tax upon an assessment roll upon which is listed all property at its "full cash value" as required by law; also

Resolved, That the attention of the Assessor be and it is hereby called to the provisions of said Section 3627 of the Political Code.

Motion.

Supervisor Murdock moved that resolution be referred to Finance Committee and that said Committee arrange for a consultation with Assessor in matter.

The following resolution was introduced under suspension of the rules and *adopted*:

Declaring Contract of Oscar S. Levy Forfeited and Providing for Continuance of Work on Auxiliary Water System.

Resolution No. 7741 (New Series), as follows:

Whereas, It appears from Resolution No. 10793 (Second Series) of the Board of Public Works, passed by said Board on the nineteenth day of April, 1911, and filed in the office of the Clerk of the Board of Supervisors on said day, that on the twelfth day of August, 1910, said Board of Public Works, under the authorization contained in Ordinance No. 1238 (New Series) of the Board of Supervisors, did award to Oscar S. Levy a contract for the

performance of the following public work to be done in the City and County, to wit:

"For handling and laying cast iron high pressure mains, conduits and appurtenances in the district bounded by the northerly line of Market street, the westerly line of Castro street, the southerly line of Twenty-ninth street, the easterly line of Harrison street and the northeasterly line of Eleventh street;"

And thereafter in accordance with proper proceedings had and taken on the 20th day of August, 1910, said Board of Public Works did enter into a contract with said Oscar S. Levy for doing the aforesaid described work according to the plans and specifications therefor.

That said Oscar S. Levy has failed and refused to perform the work so contracted for, and has defaulted in the performance thereof, as appears more fully in said Resolution No. 10793 (Second Series), to which reference is made for further particulars; therefore, be it

Resolved, That the said contract with said Oscar S. Levy be and the same is hereby declared forfeited and annulled, in accordance with the recommendation of said Board of Public Works, and be it further

Resolved, That the Board of Public Works is hereby authorized and directed to enter into a new contract for the performance of such portion of the work embraced in the contract entered into with said Oscar S. Levy as remains uncompleted, in accordance with the plans and specifications therefor, and as authorized by said Ordinance No. 1238 (New Series), and in the same manner as provided for the entering into contracts for the performance of public work, and for the purpose of defraying the cost thereof, to apply the funds remaining unexpended out of the appropriation heretofore made for the doing of said work.

Ayes—Supervisors Cutten, Deasy, Hayden, Healy, Herget, Hooks, Kelly, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Walsh—14.

Passed for Printing.

The following resolution was introduced by Supervisor Loughery under suspension of the rules and *passed for printing*:

Blasting Permit.

Resolution No. — (New Series), Granting permission, revocable at will of the Board of Supervisors, to M. H. Squires to blast on Shafter avenue, between Lane and Keith streets.

Provided that said permittee shall execute and file a good and sufficient bond in the sum of eight thousand dollars (\$8000.00), as fixed by the Board of Public Works, and approved by His

Honor the Mayor, in accordance with Ordinance No. 1204 (New Series); provided also that said blasts shall be exploded only between the hours of 7 a. m. and 6 p. m., and that the work of blasting shall be performed to the satisfaction and under the supervision of the Board of Public Works, and that if any of the conditions of this resolution be violated by the said M. H. Squires, then the privilege and all rights arising thereunder shall immediately become null and void.

Adopted.

The following resolution was introduced under suspension of the rules by Supervisor Walsh and *adopted*:

Artificial Lights Committee to Negotiate in Gas Rate Suits.

Resolution No. 7742 (New Series), as follows:

Whereas, Since July, 1908, suits have been pending in the Federal Court involving the reasonableness of the rates of gas to be charged and collected in the City and County, and the enforcement of all ordinances fixing such rates since 1908 has been enjoined by said Court; and

Whereas, Rates are now being collected in excess of those fixed by ordinances of the Board of Supervisors, and all excess payments are being impounded by order of said Court, pend-

ing the final decision of the cases referred to; that the collection of such excess is working a continual hardship upon all gas consumers, and by reason of the fact that many of the sums have been paid by parties since removed from the City, making repayment to them difficult in case such repayment may be ordered; that the impounding of large sums is detrimental to the interests of all parties to the controversy; and

Whereas, It may be many years before a final decision will be reached in the suits pending, and the injury to all parties will therefor be long continued; now, therefore,

Resolved, That the Artificial Lights Committee of this Board be authorized to negotiate with the plaintiff in the suits now pending, with a view of compromising all differences involved therein, and to report the result of such negotiations to this Board for its consideration.

Ayes—Supervisors Cutten, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Walsh—14.

ADJOURNMENT.

There being no further business, the Board, at the hour of 3:30 o'clock p. m., adjourned.

READING THE JOURNAL.

The Journal of the meeting of May 1, 1911, was read and approved.

Mayor Urges Prompt Action in Selection of Site and Commencement of Construction of Panama-Pacific International Exposition.

The following communication was presented and read by Clerk:

San Francisco, May 8th, 1911.
To the Honorable the Board of Supervisors, No. 64 Eddy street, city.

Gentlemen—At a special bond election held in this City last year the resident citizens voted the sum of \$5,000,000 in aid of the general project to hold in San Francisco a Panama-Pacific Exposition in the year 1915, befittingly to celebrate the opening of the great Panama Canal. In addition to this a sum of money approximating \$7,500,000 was privately subscribed by business men, municipal employees and the public in general for the further assistance of the undertaking, the community being justly proud then of its effective work in this regard.

A long and arduous struggle at the nation's capitol ensued, San Francisco contending valiantly and with ultimate success for the coveted prize which New Orleans tried so hard to capture. Congressional recognition for this imperial city was finally won, and it was widely announced at the time that the last barrier and difficulty in the way of erecting this unparalleled exposition had been removed.

Allowing ample time for the return

and recuperation of the committeemen who visited Washington and the perfection of necessary preliminary work for which an ample force of assistants has been employed, it would seem that undue delay has attended the task of selecting a site and of getting down to the actual work of constructing this most prodigious of expositions. You gentlemen of the Board of Supervisors, representing the people of San Francisco as a whole, are certainly aware of the fact that the community has waited patiently but in vain for many weary months and has yet to learn when and where the exposition is to be located. You are, no doubt, also aware of the fact that thousands of deserving, capable and willing citizens are standing idly about, waiting day by day for the beginning of the great task of construction so that they may receive much needed employment. The merchant and business man, both large and small, have waited month in and month out for the commencement of activities, so that the arteries of trade may be stimulated and times made better with them. After all, the money voted through bond election is their money, and they have a good right to insist that procrastination cease and that the work of building the exposition be proceeded with. As the representative in office of the toiler and the masses, and speaking for the small tradesman as well as the merchant of large responsibilities, I beg leave to ask that the members of this Board join me as Mayor in memorializing the Panama-Pacific Exposition Company and petitioning for an immediate decision with reference to a site, and to the commencement of actual construction.

I am fully alive to the fact that the work preliminary to this vast exposition is great in magnitude. I venture to assert, however, that if ground was broken for the exposition today, there remains barely time to accomplish the work of construction and equipment and reach a state of completion before the gates of the exposition must be thrown open to the nations of the world. With these facts in mind, it seems necessary for the legislative branch of our City government to take some action at this time in an effort

to induce the Panama-Pacific Exposition Company to reach some finality in its deliberations and to put our needy people to work. Money will then more freely circulate, homes will be better sustained; want and actual suffering in this community will be diminished and a new era of prosperity will have dawned.

It is proper as I see it for me to invite your attention today to the fact that not alone have the people voted this vast sum of money for the exposition but that they have at the same time distinctly expressed their wish and preference that such exposition be located upon the property of the people so that the millions expended in permanent improvements may revert to them, and the public holdings be thus enriched and beautified by the adornments now in contemplation as features of the world's greatest expositions. In authorizing these bonds, the masses of the people whom you represent voted for a benefit that should accrue to all San Francisco. In other words, it would seem to be a defiance of the people's will to place this exposition at a point that could be reached by hundreds of thousands of people from abroad without their ever setting foot upon the streets of San Francisco, or leaving a single dollar among our merchants, tradesmen, and the people generally who have subscribed publicly and privately \$12,500,000 to this great undertaking. I feel that it behooves the Board of Supervisors to urge these special considerations upon the Panama-Pacific Exposition Company, while, at the same time, earnestly petitioning that long delays be terminated and the actual work of construction be commenced.

It is my privilege, in view of the foregoing, to request that this Board proceed to prepare some sort of concrete expression as coming from the masses of the people and to be forwarded through you, as representatives of the people, to the gentlemen who are now guiding the destiny of this great exposition.

While I am indeed, by virtue of my office, perhaps, a member of the general committee of the Panama-Pacific Exposition Company, the fact remains that I am but one among a great many and that I am neither an officer of the exposition company, a member of its executive committee, or in any manner in a position to urge prompt action excepting as Mayor and the presiding officer of this representative board.

Our people absolutely require and deserve to have their own bond issue money at once set into circulation, and our little shopkeeper and even our merchant of larger affairs are patiently waiting for the day of activity to arrive. It seems to me quite proper that you should at this time, knowing the facts and circumstances and tempera-

ment of the people as a whole, proceed respectfully to memorialize the exposition company, to the end that further distracting delays may cease, and the people come into their own.

Yours very sincerely,

(Signed) P. H. McCARTHY,
Mayor of the City and County of San Francisco.

Motion.

Supervisor Kelly moved that Clerk be directed to prepare resolution in accordance with request expressed by Mayor in his communication and that a copy of Mayor's letter be sent to Panama-Pacific International Exposition Company.

Assessor to Assess Property at Full Cash Value in Accordance With Law.

The following matter heretofore referred to the Finance Committee and returned by the Finance Committee with the recommendation that same be adopted, was taken up:

Resolution No. — (New Series), as follows:

Whereas, The adoption of Senate Constitutional Amendment No. 1 by the People of the State of California will operate to remove from the list of taxable property within the City and County of San Francisco, property heretofore assessed at approximately \$65,000,000, the tax upon which estimated upon the rate of taxation for 1910-11 would amount to \$738,000, this sum being the approximate loss to the City and County by reason of the adoption of the aforesaid constitutional amendment, and

Whereas, There was levied for the last fiscal year an emergency tax of twenty-nine cents on each \$100 of assessed valuation for repairs to streets, sewers, for the repair and reconstruction of public buildings and for the enforcement of sanitary measures, the basis of such tax being due to the damage caused by fire and earthquake of 1906, which tax raised for the purposes stated the sum of \$1,500,000, and

Whereas, Said tax is being paid under protest by many of the larger taxpayers, thus imposing upon the City the expense of defending a multitude of tax suits and jeopardizing the financial standing of the City, and making it inexpedient to continue the levy of such emergency taxes, excepting as a means of last resort; and

Whereas, The recent Legislature imposed additional financial burdens upon the City, at the same time reducing the amount of State school funds to be apportioned to this County, all of which will add to the burden of the City by approximately \$100,000; and

Whereas, Recent charter amendments impose an additional expense upon the City of approximately \$60,000; and

Whereas, The regular increasing demands of the City due to its growth and the installation of new institutions require additional appropriations aggregating a large sum, and

Whereas, The taxable property within the City and County is listed, according to the public statement of the

Assessor, at from between 50 and 60 per cent of its true value, and

Whereas, Section 3627 of the Political Code requires the Assessor of every County in the State to assess all property at its "full cash value," and

Whereas, Similar existing conditions are being met in other cities of the State by material increases in their assessment rolls; therefore,

Resolved, That it is the opinion of the Board that the only safe manner by which a sufficient revenue may be obtained for the City and County to meet its absolute necessities for the next fiscal year is to levy a tax upon an assessment roll upon which is listed all property at its "full cash value" as required by law; also

Resolved, That the attention of the Assessor be and it is hereby called to the provisions of said Section 3627 of the Political Code.

Privilege of the Floor.

Leslie Burks, Secretary of San Francisco Real Estate Board, was granted the privilege of the floor and addressed the Board, requesting postponement of action on above Resolution until the San Francisco Real Estate Board could investigate the matter and present its views on the subject.

Providing for Increase in Tax Roll.

Thereupon, Supervisor Murdock presented Resolution No. — (New Series), as follows:

Whereas, By reason of the greatly increased cost of maintaining the City government, occasioned in part by the rehabilitation of streets and other extraordinary expense, but very largely by direct vote of the people through various charter amendments, it has for several years been impossible to provide sufficient revenue within the limit of taxation fixed by the charter, and

Whereas, The discrepancy between income and expenditure has this year been largely increased through the adoption of a Constitutional Amendment removing from the tax-roll corporation property to the estimated amount of \$60,000,000.00, occasioning a grave crisis in municipal finance and management, and

Whereas, The City and County Assessor has declared that under his understanding of the law and his official duty he cannot now so increase the assessment roll as to provide the income, which the City must have forcing upon the Board of Supervisors the further exercise of the provisions of the charter for the levying of a special tax in case of any great necessity or emergency, therefore be it

Resolved, That the legislative body earnestly calls upon all public servants and citizens to loyally co-operate in

meeting this very obvious emergency. To that end the assessor is urged to increase the tax-roll to the full limit, which a conscientious construction of his official duty will permit. Every department of the City government is requested to exercise the most rigid economy, dispensing with every unnecessary employee, and postponing every capital expenditure not indispensable. After reducing to the lowest consistent amount the allowance to each department, the Finance Committee is asked to complete its budget, and recommend to the Board a special tax to meet actual requirements. The public is asked to recognize the necessity of this emergency measure and to defend its claim to good citizenship by paying tax bills without protest.

Action Deferred.

Whereupon the above Resolutions were on motion *laid over one week.*

Adopted.

The following resolution was adopted:

Providing \$200.00 to Enable Clerk to Pay Witness Fees, Jury Fees, Stenographer's Fees and Costs in Actions at Law Prosecuted by City.

Public Utilities Committee to Secure Services of Bion J. Arnold, Consulting Engineer on Street Transportation.

Whereupon Supervisor Murdock introduced the following Resolution.

Resolution No. — (New Series), as follows:

Whereas, The Charter of the City of San Francisco lodges in its Board of Supervisors ample power to compel the United Railroads to render service commensurate with the value of the franchises under which they operate, and

Whereas, There is urgent need of better facilities and improved methods of operation, the particulars of which

are too intricate and technical for untrained determination and direction, and

Whereas, Other communities have greatly profited through the advice and suggestion of disinterested experts of high character, being enabled to revolutionize unsatisfactory conditions, therefore be it

Resolved, That the Committee on Public Utilities be instructed to invite Mr. Bion J. Arnold of Chicago, to come to San Francisco as consulting engineer on street transportation, the time and terms of his employment, should he accept the appointment, to be determined by the Finance Committee and approved by this Board.

Referred.

Bill No. 1750, Ordinance No. — (New Series), entitled, "Providing for full acceptance of the roadway of Ninth avenue, between Geary and Clement streets; Diamond street, between Twenty-fourth and Elizabeth streets; Randall street, between Sanchez and Whitney streets; crossings of Bay and Laguna streets, Anza street and Fifth avenue."

Conditional Acceptance, Certain Streets.

Also, Bill No. 1751, Ordinance No. — (New Series), entitled, "Providing for conditional acceptance of the roadway of the crossing of Cabrillo street and Eleventh avenue; crossing of Brazil avenue and Vienna street."

Ordering Street Work.

Also, Bill No. 1752, Ordinance No. — (New Series), entitled, "Ordering the performance of certain street work to be done in the City and County of San Francisco, approving and adopting specifications therefor and authorizing the Board of Public Works to enter into contract for doing the same, the provisions of which order the following street work, to wit:

Granite curbs and artificial stone sidewalks on the four angular corners of the crossing of Masonic avenue and Fulton street, and brick cesspools and ironstone pipe culverts on the southeasterly, southwesterly and northwesterly angular corners of said crossing.

Asphalt pavement on the roadway of the crossing of Masonic avenue and Fulton street, except that portion thereof required by law to be

kept in repair by the railroad company having tracks thereon.

The following vitrified, salt-glazed, ironstone pipe sewers with appurtenances:

Twelve-inch—along the center line of Fulton street, from the westerly line of Masonic avenue to a point 15 feet westerly from the easterly line of Masonic avenue.

Twelve-inch—from the point of intersection of the center line of Masonic avenue and the southerly line of Fulton street to a point on the center line of Fulton street 15 feet westerly from the easterly line of Masonic avenue.

Twenty-four-inch—from the point of intersection of the northerly line of Fulton street and the center line of Masonic avenue, to a point on the center line of Fulton street 15 feet westerly from the easterly line of Masonic avenue.

Extension of Time.

Also, Resolution No. — (New Series), Granting the Keystone Construction Company an extension of sixty days' time from and after April 2, 1911, within which to complete the contract for the construction of sewers and appurtenances in Section "B" of the North Point main.

This extension of time is granted upon the recommendation of the Board of Public Works for the reason that the conditions of the weather prevented contractor from prosecuting the work.

Providing \$10,000.00 for Sewer Work, Lincoln Way.

Also, Resolution No. — (New Series), as follows:

Resolved, That the sum of ten thousand dollars (\$10,000.00) be and the same is hereby set aside, appropriated and authorized to be expended by the Board of Public Works out of the "Sewer Construction Account" of the Public Building Fund, bond issue of July 1, 1908, in addition to the one hundred and twenty-five thousand dollars (\$125,000) heretofore appropriated by Ordinance No. 1494 (New Series), approved March 9, 1911, and providing for the construction of sewers and appurtenances in Lincoln way, from Fortieth avenue to La Playa, and Forty-eighth avenue, from Kirkham street to Lincoln way.

dock, Nelson, Nolan, O'Dowd, Pugh, Walsh—16.

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Relative to Tunnel Construction.

The following communication from read by the Clerk and *ordered referred to Streets Committee:*

Office of Mayor, City and County of San Francisco.

San Francisco, Cal., May 8, 1911.

To the Honorable, the Board of Supervisors, No. 64 Eddy street, City.

Gentlemen: In my inaugural message I recommend that steps be taken to overcome some disadvantages of the topographical conditions of our city by the construction of tunnels, thus connecting all districts of San Francisco by easy grade with the great commercial downtown district. As the result of my recommendations, you have submitted to the people a Charter amendment, which amendment was carried by the voters of this city and ratified by the State Legislature. This amendment provides the local machinery for the carrying out of the different projects under the District Assessment Act granting the districts benefited by these improvements the right to bond themselves for ten years and meeting such bonded indebtedness in ten equal installments.

I congratulate your Honorable Board upon having taken up immediately the construction of the tunnel under Twin Peaks. The entire City and County will be everlastingly benefited by this great work and thousands of acres now virgin and undeveloped will, after completion of this tunnel, change into a district of beautiful homes and residences and provide for our growing population, wherein over a quarter of million of people may be domiciled. Therefore, the district to be assessed for the cost of this tunnel may be very large, thus distributing the burden as far as possible over a large area making the payments necessarily very light.

Your Honorable Board has, in compliance with my recommendation, passed an ordinance for the construction of a tunnel through Nob Hill on Stockton street, which will connect in a straight line, and within a few minutes walk, the downtown district with the great cosmopolitan North Beach district, down to the water front. The carrying out of this project is now pending a decision of the State Supreme Court, to which court an appeal was taken from a decision in favor of the city, by the Superior Court for the purpose of determining

the power of the city to carry out this improvement under the District Assessment Act of the Charter. The lawyers who have presented this case are confident of favorable action. This great project, which will open up new avenues of trade to our downtown merchants, develop and enhance the property values in North Beach District and, inducing by its then easy and quick accessibility, thousands of those now residing across the bay while earning their livelihood in San Francisco to settle and build homes in this city. I, therefore, hope that this splendid work will be carried out with all possible haste. The construction of this tunnel, tapping as it will the retail and shopping district in its future center with its easy and natural outlet via Kearny street, will be of inestimable value to the people of North Beach. In accomplishing what they have earnestly been working on for years, to wit: the establishment of a ferry system at the north end of our city, which means speedy access to San Francisco from Marin and other counties across the bay, thus increasing property values in this city millions of dollars over what it is today.

I recommend that action be taken by your Honorable Board for the construction of another tunnel on Broadway street from Mason, on the east, to some point in the west which will open up the entire Western Addition, Pacific Heights and Golden Gate Valley (the latter at present almost inaccessible), giving the people in that great district a straight, short, direct route to the ferry and, through the Stockton Street Tunnel, to the heart of the business section of the city.

I also recommend the construction of a tunnel on Bay street from Montgomery avenue, to some point west on that street, with suitable approaches, all tunnels to be street-wide, open for pedestrians as well as general traffic, teaming and street roadway. Bay street connecting with East street and way down to the Market street ferry is absolutely level and the construction of this tunnel will open up all of the lines along the short line west of Van Ness avenue and establish direct level connection with the government docks at Fort Mason as well as to the Presidio Military Reservation. The cost of constructing this tunnel should be mostly borne by property owners west of Van Ness avenue, who will derive great material benefit in the enhancement of property values. The construction of this tunnel will facilitate carrying out the idea of building boulevards round the city from the Market street ferry to Golden Gate Park via the Presidio, Lincoln

Park and Golden Gate Park. These districts are at the present time very badly handicapped by reason of it being necessary to make a long detour around the Park for general traffic and in order to deliver building and other materials.

Both the Sunset and the Richmond districts should be connected by means of depressed roadways connecting these districts at suitable distances over which roadways suitable bridges can carry the park driveways without the least disturbance. This work properly performed will be of tremendous use to the people generally, as well as a beautiful feature of the park itself. The property values will be greatly enhanced by the construction of these depressed roadways, and I recommend that they be constructed under the same District Assessment Act.

I further recommend that wherever possible similar improvements be encouraged and advocated all over the city. We have invited the world to be our guest at the great Panama-Pacific International Exposition and we should do everything possible within the radius of our power, and without loss of time, in order to impress those who visit us from abroad with the great possibilities for commercial and industrial development of San Francisco. And, considering that only a little more than three years are left you will realize that time for talking has passed and that action on the part of the people of this city is absolutely necessary.

Yours very sincerely,

P. H. McCARTHY.

Mayor of the City and County of San Francisco.

Urging Prompt Action in Selection of Exposition Site.

Also, Resolution No. 7788 (New Series), as follows:

Whereas, The People of San Francisco, on November 15, 1910, authorized by an almost unanimous vote, the issuance of bonds to the amount of \$5,000,000.00 in aid of the Panama-Pacific International Exposition, and its citizens have in addition thereto subscribed for the stock of said Company to the extent of \$7,500,000.00; and

Whereas, Months have elapsed since the Congress of the United States provided that San Francisco should be the site for the holding of the Panama-Pacific International Exposition in 1915; and no conclusive action has been taken by those in control of the affairs of said Exposition Company to determine the precise site of said exposition, and by reason of the uncertainty as to such location business is being hampered and labor is idle that should be employed; now, therefore

Resolved, That the authorities of the Panama-Pacific International Exposition Company, having in charge the matter of determining the site of said exposition, be requested to definitely act thereon without further delay, to the end that constructive forces may at once be set in motion, and that the people who have so generously contributed towards making the exposition a success may begin to realize upon their investment.

Electric Light Rates Ordinance.

On motion of Supervisor Walsh:

Bill No. 1754, Ordinance No. — (New Series), entitled, "Fixing the maximum rate and price to be charged for incandescent and electric lights, and for electricity for heat and power purposes for the year commencing July 1, 1911, and ending June 30, 1912."

Gas Rate Ordinance.

Also, Bill No. 1755, Ordinance No. — (New Series), entitled, "Fixing the minimum standard of quality and illuminating power of gas and the maximum rate and price to be charged therefor, for the year commencing July 1, 1911, and ending June 30, 1912."

Adopted.

The following Resolution was introduced under suspension of the rules, by Supervisor Walsh and adopted:

Empowering City Attorney to Compromise Gas Rate Suits.

Resolution No. 7789 (New Series), Be it resolved

First, If and whenever any person or corporation engaged in the business of supplying gas to the City and County of San Francisco and its inhabitants, shall deliver or offer to deliver to the Mayor of the City and County of San Francisco a waiver and relinquishment of the right to call into question or dispute the validity of rates fixed or to be fixed by this Board for gas to be supplied to the City and County of San Francisco and its inhabitants for the year commencing July 1, 1911, and ending June 30, 1912, then and in that event that the City Attorney be and he

is hereby empowered and requested in any and all actions which may be pending on the part of said person or corporation against the City and County of San Francisco and its officers, agents and representatives brought to impeach, invalidate or set aside the ordinances of this Board fixing gas rates for the years ending June 30, 1909, June 30, 1910 and June 30, 1911, to enter into agreements, stipulations, judgments and decrees in said actions upon terms which shall secure a division of the difference between the rates authorized by the ordinances of this Board for the respective years and the rates collected by the companies and impounded in said actions. Such difference shall be divided so that one-half thereof shall be paid to the person or corporation, plaintiff in said actions and each of them, and the other one-half thereof shall be returned to the person or persons by whom the same shall have been paid.

Second: As as a part of such stipulations, judgments and decrees and upon the conditions and terms aforesaid, the City Attorney is authorized and requested to consent to a judgment setting aside said ordinances with respect to gas rates for said three years above mentioned, viz.: the years ending June 30, 1909, June 30, 1910, June 30, 1911.

The foregoing division shall apply only to the principal of the amounts collected in excess of the rates fixed by the ordinance, but not to the interest which shall be dealt with and covered by the provisions hereinafter contained.

Third: The only actions pending to invalidate the rates above mentioned are five in number—three wherein the San Francisco Gas and Electric Company is complainant, and two wherein the Metropolitan Light and Power Company is complainant. Said actions are pending in the Circuit Court of the United States, Ninth Judicial Circuit, Northern District of California, and are numbered respectively as follows, viz:

Those by the San Francisco Gas and Electric Company, Numbers 14742, 14903 and 15121;

Those by the Metropolitan Light and Power Company, Numbers 14922 and 15139.

There is pending a clause in each of said actions in substance and effect the same as a clause contained in the restraining order in case No. 15121, reading as follows:

"In order to facilitate the return of moneys so deposited, in the event of a decision or order of this Court directing such return, Walter B. Maling, Deputy Clerk of this Court, is hereby appointed a special master to ascertain and report as to the amounts to be paid to each individual claimant, and as to the identity of such claimant. He is thus selected as special master for the reason that the claimants of the fund will be extremely numerous and their identity and the amount of their claims will have to be established by incessant reference to the books of complainant, and such books can be most expeditiously and economically consulted by a special master who is an officer of this Court."

The interest earned upon the impounded excess above mentioned shall be first devoted to the payment of any compensation payable to the said Walter B. Maling under the provision aforesaid, and the balance shall be divided into two parts; one-half whereof shall go to the complainant Company and the other half be paid to the Treasurer of the City and County of San Francisco to be there credited to the general fund.

Ayes—Supervisors Bancroft, Cutten, Deasy, Hayden, Healy, Herget, elly, Loughery, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—14.

Passed for Printing.

The following matter was introduced under suspension of the rules and *passed for printing*:

Authorizing Payment, Yard Work, Clement Primary School.

Resolution No. — (New Series). Authorizing an expenditure of \$2156.25 to be made out of the "School Construction Account" of the Public Building Fund, bond issue of 1904, in payment to Henning & Burke (claim dated May 4, 1911) as first installment on contract for yard work at the Clement Primary School.

**Assessor to Assess Property at Full Cash
Value in Accordance With Law.**

The following matter heretofore recommended to the Finance Committee and returned by the Finance Committee with the recommendation that same be adopted, was taken up:

Resolution No. — (New Series), as follows:

Whereas, The adoption of Senate Constitutional Amendment No. 1 by the People of the State of California will operate to remove from the list of taxable property within the City and County of San Francisco, property heretofore assessed at approximately \$65,000,000, the tax upon which estimated upon the rate of taxation for 1910-11 would amount to \$738,000, this sum being the approximate loss to the City and County by reason of the adoption of the aforesaid constitutional amendment, and

Whereas, There was levied for the last fiscal year an emergency tax of twenty-nine cents on each \$100 of assessed valuation for repairs to streets, sewers, for the repair and reconstruction of public buildings and for the enforcement of sanitary measures, the basis of such tax being due to the damage caused by fire and earthquake of 1906, which tax raised for the purposes stated the sum of \$1,500,000, and

Whereas, Said tax is being paid under protest by many of the larger taxpayers, thus imposing upon the City the expense of defending a multitude of tax suits and jeopardizing the financial standing of the City, and making it inexpedient to continue the levy of such emergency taxes, excepting as a means of last resort; and

Whereas, The recent Legislature imposed additional financial burdens upon the City, at the same time reducing the amount of State school funds to be apportioned to this County, all of which will add to the burden of

the City by approximately \$100,000; and

Whereas, Recent charter amendments impose an additional expense upon the City of approximately \$60,000; and

Whereas, The regular increasing demands of the City due to its growth and the installation of new institutions require additional appropriations aggregating a large sum, and

Whereas, The taxable property within the City and County is listed, according to the public statement of the Assessor, at from between 50 and 60 per cent of its true value, and

Whereas, Section 3627 of the Political Code requires the Assessor of every County in the State to assess all property at its "full cash value," and

Whereas, Similar existing conditions are being met in other cities of the State by material increases in their assessment rolls; therefore,

Resolved, That it is the opinion of the Board that the only safe manner by which a sufficient revenue may be obtained for the City and County to meet its absolute necessities for the next fiscal year is to levy a tax upon an assessment roll upon which is listed all property at its "full cash value" as required by law; also

**Assessor to Increase Tax Roll as Much
as Possible, Officials to Economize,
Committee to Provide for Special Tax
and Public to Pay Without Protest.**

At the request of Supervisor Murdock, the following substitute resolution introduced by him at last meeting was also taken up for consideration:

Resolution No. — (New Series), as follows:

Whereas, By reason of the greatly increased cost of maintaining the City government, occasioned in part by the rehabilitation of streets and other extraordinary expense, but very largely by direct vote of the people through various charter amendments, it has for several years been impossible to provide sufficient revenue within the limit of taxation fixed by the charter, and

Whereas, The discrepancy between income and expenditure has this year been largely increased through the adoption of a Constitutional Amendment removing from the tax-roll corporation property to the estimated amount of \$60,000,000.00, occasioning a grave crisis in municipal finance and management, and

Whereas, The City and County Assessor has declared that under his understanding of the law and his official duty he cannot now so increase the assessment roll as to provide the income, which the City must have forcing upon the Board of Supervisors the further exercise of the provisions

of the charter for the levying of a special tax in case of any great necessity or emergency, therefore be it

Resolved, That the legislative body earnestly calls upon all public servants and citizens to loyally co-operate in meeting this very obvious emergency. To that end the assessor is urged to increase the tax-roll to the full limit, which a conscientious construction of his official duty will permit. Every department of the City government is requested to exercise the most rigid economy, dispensing with every unnecessary employee, and postponing every capital expenditure not indispensable. After reducing to the lowest consistent amount the allowance to each department, the Finance Committee is asked to complete its budget, and recommend to the Board a special tax to meet actual requirements. The public is asked to recognize the necessity of this emergency measure and to defend its claim to good citizenship by paying tax bills without protest.

Amendment.

Supervisor Kelly moved to amend Supervisor Murdock's resolution by striking out the words "which a conscientious construction of his official duty will permit" in the last paragraph of said resolution.

Motion carried by the following vote:

Ayes—Supervisors Cullen, Deasy, Hayden, Healy, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—15.

No—Supervisor Bancroft—1.

Absent—Supervisors Harris, Herget—2.

Amendment.

Whereupon, Supervisor Murdock's resolution as amended was adopted as an amendment to resolution submitted by Supervisor Kelly which in words and figures following was adopted as amended by the following vote:

Amended Resolution Adopted.

Resolution No. 7808 (New Series). Whereas, The adoption of Senate Constitutional Amendment No. 1 by the people of the State of California will operate to remove from the list of taxable property within the City and County of San Francisco property heretofore assessed at approximately \$65,000,000, the tax upon which estimated upon the rate of taxation for 1910-11 would amount to \$738,000, this sum being the approximate loss to the City and County by reason of the adoption of the aforesaid constitutional amendment; and

Whereas, There was levied for the last fiscal year an emergency tax of twenty-nine cents on each \$100 of assessed valuation for repairs to streets, sewers, for the repair and reconstruction of public buildings and for the

enforcement of sanitary measures, the basis of such tax being due to the damage caused by fire and earthquake of 1906, which tax raised for the purposes stated the sum of \$1,500,000; and

Whereas, Said tax is being paid under protest by many of the larger taxpayers, thus imposing upon the City the expense of defending a multitude of tax suits and jeopardizing the financial standing of the City, and making it inexpedient to continue the levy of such emergency taxes, excepting as a means of last resort; and

Whereas, Section 3627 of the Political Code requires the Assessor of every County in the State to assess all property at its "full cash value"; and

Whereas, Similar existing conditions are being met in other cities of the State by material increases in their assessment rolls; therefore,

Resolved, That it is the opinion of the Board that the only safe manner by which a sufficient revenue may be obtained for the City and County to meet its absolute necessities for the next fiscal year is to levy a tax upon an assessment roll upon which is listed all property at its "full cash value" as required by law. If, however, it is impossible at the present time to prepare the assessment roll on a basis of the "full cash value" of property, which the law requires, but which the City and County Assessor declares he cannot do under his understanding of the law and of his official duty; then be it

Resolved, That the legislative body earnestly calls upon all public servants and citizens to loyally co-operate in meeting this very obvious emergency. To that end the Assessor is urged to increase the tax roll to the full limit. Every department of the City government is requested to exercise the most rigid economy, dispensing with every unnecessary employee, and postponing every capital expenditure not indispensable. tee is asked to complete its budget and recommend to the Board a special tax to meet actual requirements. The public is asked to recognize the necessity of this emergency measure and to defend its claim to good citizenship by paying tax bills without protest.

So ordered.

Public Hearing on Budget.

Miss Clara, representing the School

Teachers, asked for an appropriation of \$15,000 or \$16,000 to enable the Board of Education to grant a credit for outside experience to 40 or 45 teachers who at the present time were not getting credit for such experience.

Miss Molloy, representing the Board of Censorship, asked that an appropriation of \$50 per month be given the Board of Censorship to cover clerical work in connection with the inspection of moving pictures.

Mrs. Brooks, representing the Coso Avenue Improvement Club, asked for an appropriation of \$8000 for extension of Fair avenue up to Elsie street, a distance of three blocks.

Frank Olmo, representing the South of Army Street Improvement Association, requested an appropriation of \$30,000 for the widening of Virginia street, from Mission street to California avenue.

T. L. Sharman, representing the Bay View Improvement Association, requested an appropriation for a chemical engine in Bay View District.

F. Zimmerman, representing the Bay View Improvement Association, requested an appropriation for a park at Railroad avenue, Lane street, Seventeenth avenue and Eighteenth avenue, to cost \$35,000.

G. M. Schoeppe asked that Fifteenth avenue be widened, stating that he had lived in the Bay View district fifteen years and no Board had done so much for that district as this Board had.

W. A. Hanlon, representing the Buena Vista Improvement Club, asked that a fire station be erected in the vicinity of Twentieth and Vermont streets, and that Vermont street, abutting on McKinley Square, be graded, the property owners being willing to do their proportion.

Mr. Campbell, representing the Carriage and Wagon Workers' Union and Pattern Makers' Association, pointed out that the castings for the Auxiliary Water Supply System for Fire Protection were furnished by contractors. The Enterprise Foundry Co. had a contract in sum of \$9000 for patterns for the first 1000 tons of castings. The cost to the Enterprise Foundry had been \$3925 in wages and \$700 for material. He suggested that this con-

tractor's profit might be saved to the city if a municipal shop for the doing of such work was opened. All the corporations had their own pattern-makers, and if they found it profitable to do so surely the City might find it to its advantage. As to wagons, if one was taken to the contractor, he only did the repairs that his contract called for. If the city had its own wagon-workers it would save considerable, besides having the work done more thoroughly. At the present time a good many wagons were laying around for want of repair.

D. A. Hagens, representing the Civic League of Improvement Clubs, stated that the League very strongly recommended repairs to Hayes street, between Broderick and Baker streets; Fulton street, between Stanyan street and Arguello boulevard, and to the streets surrounding the new Lowell High School, which repairs were estimated to cost \$17,500.

C. Steinfeldt, representing the West End Betterment Club, asked that Hayes street, between Broderick and Baker, previously recommended by the Civil League, be repaired.

L. T. Brown, representing the West End Betterment Club, referred to requests made in previous years for the repair of Fremont School. No fire escapes and only one exit. The cost of bettering the conditions at that school was estimated at \$15,000.

F. Warren, representing the Glen Park Improvement Association, urged the opening and extension of Lippard and Clinton avenues, from their southerly termination to Joost avenue, at a cost of \$7500.

F. A. Hambridge, representing the Glen Park Improvement Association, said that the school lands in the Glen Park district were a disgrace, nothing but a bank of mud. Practically impossible for the children in winter to get to the school. Mr. Hambridge went on to say that this Board had done more for the Glen Park district than any Board since he had lived there.

A. Warren, representing the Green Valley Improvement Club, thanked the Board on behalf of his club for having provided in the Budget for the purchase of land for playground in the Excelsior Homestead District.

J. J. Daly, representing the Haight and Ashbury District Improvement Club, appealed for an appropriation of \$25,000 for the enlarging of the Waller Street Fire House, so that it could accommodate a hook and ladder truck. The nearest hook and ladder truck is at Oak and Broderick streets, and has to cover the immense territory from there south to Twentieth and Castro, north to Eddy and Divisadero, east to Haight and Buchanan and west to the ocean. The many apartments, hospitals

and fine residences in the district warranted more adequate fire protection.

W. H. Morrissey also urged the necessity of more fire protection. He further stated that the merchants of the Haight and Ashbury district were paying for lights they had put up; as the city was paying for those on Valencia street, he would like to ask for the same consideration for his district.

H. C. Hall, representing Evening School Teachers, stated that the evening school teachers had been serving the city for fifty years without having made an appeal. For protection they had organized themselves into the United Body of Evening School Teachers. They had got an amendment through after much effort and by it had brought back to the city \$28,000 of state money last year and \$20,000 this year. Now they ask for \$15,000 to meet a raise in the salaries of the evening school teachers.

A. E. Roberts said that no city in the United States was so neglectful of the young men who seek technical education as San Francisco. The question was whether the citizens of this city were going to permit their sons to step aside and use shovel and pick, while the young men from the old world were getting the good technical positions. Why should they allow the foreigner and Easterner to get the work which their sons ought to have? In New York the money appropriated for evening technical education was twenty times what will be spent here. He made a long, hard fight for the evening technical school. All he had received from previous Boards and the Boards of Education was one grand jolly. There were over 500 boys in the evening technical school. All he asked for was \$30,000 with which to raise the Moulders' School.

H. G. Vaughan, President of the Board of Education, said that he was heartily in sympathy with the requests of Messrs. Hall and Roberts. The raises should be given the evening school teachers and also a building should be provided for the evening technical school.

H. F. Marshall, representing Hayes Valley Improvement Association, asked that something should be done immediately toward grading Hayes street. He stated that the United Railroads were prepared to do \$18,000 of work at once and the cost to the city would not be over \$20,000. As to where to find the money he declared that there was a big increase of \$52,500 over last year in the maintenance of minors, some of which he thought might be used for that purpose.

Chas. McConohe, representing International Union of Elevator Constructors, appeared in support of request

that \$8000.00 should be provided for the establishment of a Bureau of Elevator Inspectors. An ordinance would be introduced imposing a license on elevator users. There were 3000 elevators in the city and a fee of \$1.50 or \$2.00 per elevator could be charged, which was about the fee charged in other cities. Seven persons had been killed instantly in elevators in this city, not counting the numbers that were injured or died from injuries. The appropriation would soon be returned from fees that were received under the ordinance.

F. A. Hambridge, representing International Union of Elevator Constructors, said San Francisco was the only city of its size which did not maintain a Bureau of Inspection.

A. C. Campbell, representing Ocean-side Promotion Association, urged the paving of Lincoln Way from Twentieth to Twenty-third avenues at an estimated cost right through to the Beach of \$87,000. He suggested that the \$18,000, allowed to the Park Commission in the Budget in addition to the regular seven cents, should be diverted for this improvement.

Mr. Campbell, representing Ocean-side Promotion Association, spoke of the lack of fire protection and endorsed the request of the Haight and Ashbury District Improvement Club for enlargement of the Waller street fire house to accommodate a hook and ladder truck.

D. A. Hagens, representing Merchants Association, said that he had been under the impression that he would find included in the Budget the \$15,000 asked by the Merchants Association for preliminary investigation for revision of municipal accounting system and installation of a uniform system. He suggested that the amount might be provided out of Urgent Necessities Fund, which had been increased to that extent.

Sterc Byrne, representing Federation of Mission Improvement Clubs, said that his federation of clubs were very anxious to have Twenty-sixth street extended from Hampshire street to Potrero avenue. Through the good offices of this Board the property owners had been returned \$1900 for street work done around Bernal Park, which they had been striving for years to get refunded. He declared they needed a new school in Precita Valley very badly, also a playground and a fire station was required very urgently in the neighborhood south of Twenty-sixth street, between Mission and San Bruno avenue.

F. J. Churchill, representing Mission Promotion Association, said that he considered the request of his Association for improvements in the Mission District, totaling \$407,000, very modest

and conservative, having regard to the large and populous territory covered by the parent organization and its thirty-three affiliated clubs. Mr. Churchill explained seriatim the necessity of each of the improvements requested by his Association, which were as follows:

Extension and development of County Line Water Front	\$60,000.00
Playground for Excelsior Homestead District	40,000.00
Mission Park, coping and convenience station	10,000.00
Improvement of Parks:	
Balboa Park	25,000.00
Holly Park	12,000.00
McKinley Square	5,000.00
Jackson Square	5,000.00
Schools:	
Vermont street, between Eighteenth and Nineteenth	50,000.00
Fairmont School lot	50,000.00
Kindergarten building, Agassiz School	2,000.00
New Primary School, southerly part Excelsior Homestead	8,000.00
Fire Protection:	
Engine house, Market street, between Tenth and Eleventh	30,000.00
Equipment of two turret hose wagons	1,000.00
Streets:	
Opening Jarnac street into Sunnyside District	15,000.00
Opening of Guttenberg street, between Mission and Lowell streets	8,000.00
Extension of Wolfe street, from Isabel to Tomasa	6,000.00
Surveys of route of Bernal cut	5,000.00
Paving of city frontage:	
On Mission Park	30,000.00
On Garfield Square	30,000.00
On McKinley Square	10,000.00
On Precita Square	5,000.00
Total	\$407,000.00

G. H. Catania, representing North Beach Improvement Association, read petition reciting a list of streets which urgently needed paving, and asking for erection of fire engine house on Stockton street near Greenwich, and for better police protection. Request was also made that the Park Commissioners be instructed to plant a little grass in Pioneer Park; 150 lights were needed. Some of the lights were at a height of ninety feet, lighting the air. The Cooper Primary School should be rebuilt as quickly as possible, also Washington Irving School. He also read petition for opening of Prescott court at a cost of \$5000.00.

C. J. King, representing Potrero Com-

mercial and Manufacturers' Association, explained the necessity of making the following improvements asked for by his Association:

Repairs to Kentucky street and Railroad avenue, and along San Bruno avenue to the County Line.

Reduction of grade of San Bruno avenue from Railroad avenue to Lealand avenue.

Grading of Army street from Kentucky to San Bruno avenue, also widened.

Police station and emergency hospital on the Hill of Rock, and same leveled.

Purchase of lot for fire engine house on Twentieth street, between Missouri and Connecticut.

New bridge at Fourth street.

Paving of city frontage: On Twenty-third street, between Potrero avenue and Vermont; on Arkansas street, between Seventeenth and Mariposa, opposite Jackson Park; sidewalk paving on all sides of Jackson Park playground.

Mr. King said that through the operation of this Board and the Board of Health the effluvia from the Red Sea had been very much remedied. They would like to see the work completed. Three hundred dollars had been allowed by the Finance Committee for a preliminary survey in connection with the extension of Twenty-sixth street, from Hampshire street to Potrero avenue, and it was hoped that the Board would be able to set aside \$7000.00 for the opening of this street. A park was one of the great necessities of the Potrero and he hoped that the Board would be able to see its way to giving the people a chance to vote at a special election for a bond issue for parks at Potrero, Telegraph Hill, Bay View and Glen Park.

J. F. Painter, representing North Central Improvement Association, urged the repaving of Kearny street, between Pacific and Market streets, at a cost of \$10,000. He also requested appropriations for paving of Sansome and California streets.

R. H. Norton, representing Richmond Federation of Improvement Clubs, urged the granting of the requests of his Federation for improvements in the Richmond District, as follows:

Extension of Lake street into Lincoln Park.

Opening of Twenty-sixth avenue to Baker's Beach; purchase of land and construction of concrete steps to the Beach.

Parkway to connect Golden Gate and Lincoln Parks.

Completion of Presidio Parkway, including oiling and rolling.

Extension of Presidio Parkway, from Lake street into the Presidio.

Cutting streets through the cemeteries.

Extending streets to connect Richmond and Sunset Districts.

Sidewalks on Cliff avenue, from termination of Cliff cars to and along the Great Highway.

Paving of avenues in front of city property, where the property owners have paved their portion.

Paving of south side of Fulton street, along the north line of the Park from First avenue to the Beach.

Fire cisterns throughout the district.

More fire hydrants.

Better police protection.

Arc lights on the avenues in the middle of every block that is built up.

Extension of water mains by Spring Valley Water Company.

Immediate construction and operation of Geary Street Municipal Railway.

Compulsory use of community poles by telephone, light and power companies.

High school.

Branch Public Library.

Class C fire house, Twelfth avenue, between Geary and Anza streets.

Playgrounds and swimming tank, school lot, Eighteenth and Nineteenth avenues, California and Clement streets.

Dr. Fletcher, representing San Francisco District Dental Society, asked for an appropriation of \$6000 for maintenance of a dental clinic for poor public school children, to be under the control of the Board of Education.

Dr. Hansen said that the Society had started an Infirmary for poor public school children on September 1st last. The services of the dentists had been given free. The children sent to the Infirmary are all public school children, whose parents or guardians are too poor to pay for treatment for them. They had made 500 examinations and out of that number 90 per cent required treatment. Numbers of the children had as many as five cavities. So far the movement had been supported by the Society, but the city was now called upon to finance it.

H. R. Bogart, representing San Francisco Industrial Relief Agency for Homeless Men, asked for an appropriation of \$2500.00 to enable the Agency to perform necessary relief work during the ensuing fiscal year. As previously explained to the Finance Committee the men were sent to them in great numbers by the Relief Home.

Mr. Wollenberg, representing Relief Home, requested an appropriation for a new chapel at Relief Home. He also reported that building No. 3 at the Relief Home had been burned down, and it was necessary to find accommodations for the ninety-five men

who had occupied this building.

He declared that the Board of Health had cut his salary down from \$300.00 to \$200.00, the reason being to force his resignation. He stated he is a civil servant and does not think it is fair, and considers that he is entitled to the salary that goes with the position. He asked that the Board recommend to the Board of Health that his salary be restored.

E. F. Lucitt, representing South Central Improvement Association, complained of the nuisance caused to the district by the Ocean Shore Railroad bringing in a vast amount of rock and other freight. He asked that Howard street, from Ninth to Fourteenth, be bituminized, and that Eleventh street be extended into Potrero avenue. He recommended the rebuilding of fire station on the old site on Market street between Tenth and Eleventh, and the taking over of the James Lick Baths, to be turned into salt water baths. The requirements of the district totaled \$195,000.

A. Warren, representing Sunnyside Improvement Club, asked that Congo street be opened so as to give an outlet to the Sunnyside District.

A. Warren, representing Visitacion Valley Improvement Association, urged the necessity of a fire house in that district. The purchase of a site at \$2000 had already been promised by the Finance Committee.

J. J. Hays, representing Twin Peaks Improvement Club, called the attention of the Board to the dilapidated condition of the engine house on Douglass street, between Twentieth and Twenty-first streets. Been sidetracked for several years. Absolutely a disgrace to the Fire Department and the City.

Chief Umy, representing Department of Electricity, urged the necessity of speedy transit in getting round to attend to repairs to the fire alarm system. The Fire Department was dependent for its efficiency upon the Department of Electricity keeping this signal system in first-class order. In order to handle the work properly it was necessary to provide his Department with an automobile and he trusted that the Board would be able to see a way to do this.

E. Moline, representing West End Improvement Club, asked for installation of fire cistern on Brunswick street, near the Longfellow School. District needed to be surveyed. Some additional lights were also very urgently required.

A. Nelson, representing Peralta Heights Improvement Club, asked for fire protection, school and additional lights.

L. A. Morelli addressed the Board on the necessity of keeping in repair the

furniture in the various City offices and asked that an appropriation be made for this work.

All the improvement clubs and petitioners having been heard from, the Clerk at this stage read the Budget as prepared in the form of an ordinance, Supervisor Kelly explaining the increase in cost of printing the Municipal Reports, the support of minors, Juvenile Detention Home and in lighting of streets.

Mr. Stoltz, on behalf of the Recorder, stated that the amount provided in the Budget was insufficient. Supervisor Kelly explained that there was already an increase over the previous year and that any deficiency could be taken care of later.

Supervisor Kelly explained the necessity of the following:

Auto van for Sheriff.

Auto patrol wagons for Police Department.

Two additional Dairy Inspectors.

Increase in salaries of Disinfectant Inspectors.

Increases in salaries of Emergency Hospital employees.

Motion.

Supervisor Murdock moved that the sum of \$1200.00 be transferred from the Maintenance Account of the Department of Public Health to the Salary Account, said sum to be used by the Board of Health in restoring Mr. Wollenberg's salary to its old basis of \$300.00 per month.

Motion carried.

J. A. Saulman stated that the Clerk of the High School Board was a State officer and therefore not entitled to receive the salary of \$600.00 provided in the Budget.

Motion.

Supervisor Herget moved that the Board of Supervisors recommend to the Board of Education that increase in salaries be granted to experienced teachers and evening school teachers.

Carried.

Motion.

Supervisor Murdock moved to strike out the Dental Assistant at \$1500.00 from the salaries of the Department of Public Health.

Carried.

Motion.

Supervisor Kelly moved that the Budget be passed to print as presented.

Carried.

Budget Passed for Printing.

Whereupon, the following entitled Bill comprising the budget of the ensuing fiscal year was passed for printing by the following vote:

Bill No. 1773, Ordinance No. _____ (New Series), entitled, "An Ordinance fixing and appropriating the aggregate

Passed For Printing.

The following matters were *passed for printing*:

Spur Track Permit.

On motion of Supervisor Nolan: Bill No. 1775, Ordinance No. —

(New Series), entitled, "Granting permission, revocable at will of the Board of Supervisors, to Blinn Estate Company to construct, maintain and operate a spur track from a point on Second street one hundred and seventy-five (175) feet, more or less, south of the southerly line of Brannan street, thence continuing easterly on a curve to the left sixty (60) feet, more or less; thence by a reverse curve to the west, crossing Brannan street to and into the property of the Blinn Estate Company, a corporation, on the northwest corner of Second and Brannan streets; being a portion of 100 Vara Lot No. 359."

Full Acceptance, Certain Streets.

Also, Bill No. 1776, Ordinance No. — (New Series), entitled, "Providing for full acceptance of the roadway of California street, between Twenty-first and Twenty-second avenues; Harrison street, between Precita avenue and Norwich street; Abbey street, between Chula lane and Seventeenth street; crossing of Murray street and Richland avenue."

Conditional Acceptance, Certain Streets.

Also, Bill No. 1777, Ordinance No. — (New Series), entitled, "Providing for conditional acceptance of the roadway of Nineteenth avenue, between Geary and Clement streets; Anza street, between Tenth and Eleventh avenues."

Ordering Street Work.

Also, Bill No. 1778, Ordinance No. — (New Series), entitled, "Ordering the performance of certain street work to be done in the City and County of San Francisco, approving and adopting specifications therefor and authorizing the Board of Public Works to enter into contract for doing the same."

Extensions of Time.

Also, Resolution No. — (New Series), Granting the Federal Construction Company an extension of ninety days' time from and after June 19, 1911, within which to complete the contract for paving the crossing of Geary and Boyce streets.

This extension of time is recommended by the Board of Public Works for the reason that the contractor was delayed by the inauguration of public proceedings for the construction of artificial stone sidewalks and brick catch-basins on this crossing.

Further Resolved, That the fee for advertising this Resolution be and the same is hereby remitted.

Also, Resolution No. — (New Series), Granting Flinn & Treacy an extension of ninety days' time from and after May 21, 1911, within which to complete the contract for the construction of granite curbs and pave with asphalt the roadway of McAllister

street, between Willard street and Arguello boulevard.

This extension of time is recommended by the Board of Public Works for the reason that the official lines of this street are at present in litigation.

Further Resolved, That the fee for advertising this Resolution be and is hereby remitted.

Also, Resolution No. — (New Series), Granting an extension of ninety days' time from and after May 29, 1911, within which to complete the contract for the following street work, to wit:

Seventeenth and Temple streets, intersection.

Seventeenth and Douglass streets, crossing.

Seventeenth and Ord streets, crossing.

Seventeenth street and Corbin place, intersection.

Seventeenth and Mars streets, intersection.

These extensions are granted upon the recommendation of the Board of Public Works, filed May 13, 1911, for the reason that the contractor was delayed on account of the installation of the pipes for the high pressure water system for fire protection.

Further Resolved, That the fee for advertising this Resolution be and the same is hereby remitted.

Also, Resolution No. — (New Series), Granting Healy-Tibbitts Construction Company an extension of ninety days' time from and after May 28, 1911, within which to complete contract for Section "C" of the Division street sewer.

This extension of time is granted upon the recommendation of the Board of Public Works for the reason that the Southern Pacific Company maintained passenger and freight traffic over the track on the right of way of the sewer up to a few weeks ago, which made it impracticable to proceed with the work.

Blasting Permit.

Also, Resolution No. — (New Series), Granting the Keystone Construction Company permission, revocable at will of the Board of Supervisors, for a period of ninety days from the date of approval of this resolution, to explode blasts for the purpose of excavating in the construction of the sewer under Contract 32, known as "Contract to construct the Mission viaduct and appurtenances"; provided, that said permittee shall execute and file a good and sufficient bond in the sum of two thousand five hundred dollars (\$2500.00), as fixed by the Board of Public Works and approved by his Honor the Mayor, in accordance with Ordinance No.

1204; provided, also, that said blasts shall be exploded only between the hours of 7 a. m. and 6 p. m., and that the work of blasting shall be performed to the satisfaction and under the supervision of the Board of Public Works, and if any of the conditions of this resolution be violated by the said above named corporation, then the privilege and all rights accruing thereunder shall immediately become null and void.

Adopted.

The following Resolution was adopted:

City Attorney to Take Such Action as is Advisable to Enforce Spring Valley Water Co. to Furnish Water to Certain Districts Inadequately Supplied.

Resolution No. 7897 (New Series), as follows:

Whereas, The inhabitants of San Francisco residing on Sacramento street, between Laurel and Spruce streets, and the owners of property in the same district are unable to procure an adequate supply of water for domestic and sanitary purposes, and for fire protection;

Whereas, It has been represented to this Board that water can be supplied to said district; it is therefore

Resolved, That the Spring Valley Water Company be and is hereby requested to immediately take such steps as shall be necessary to furnish an adequate supply of water to the district above referred to for domestic, household and sanitary purposes and for fire protection; and it is further

Resolved, That in the event of the failure of said Spring Valley Water Company to comply with this request in the immediate future, the City Attorney be and he is hereby requested to take such action as in his judgment shall be advisable to enforce a compliance with the above demand.

Ayes—Supervisors Bancroft, Cutten, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—17.

City Engineer to Advise as to Construction of Distributing System For Furnishing Water to University Mound and Ingleside Districts.

Also, Resolution No. 7898 (New Series), as follows:

Whereas, Certain portions of the city are inadequately supplied with water for fire protection and for domestic purposes, notably the Ingleside and University Mound Districts; therefore,

Resolved, That the Board of Public Works, through the City Engi-

neer, inform this Board as to whether distribution systems for such districts, constitute a part of the plan of a water system as designed for the city under the recent water bond proceedings; also as to whether there is any obstacle to prevent the immediate construction of such distribution systems, assuming that money is available for such purpose; also to furnish an approximate estimate of the cost of the system sufficient to satisfy the needs of the districts herein named.

Ayes—Supervisors Bancroft, Cutten, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—17.

City Attorney to Advise Whether Water Bond Proceeds Can be Used For Construction of Water Distributing System in Portions of City Now Inadequately Supplied.

Also, Resolution No. 7899 (New Series), as follows:

Whereas, Certain portions of the city are inadequately supplied with water for fire protection and for domestic purposes, and the Spring Valley Water Company has refused to install a distribution system by which such service may be made adequate, therefore

Resolved, That the City Attorney be requested to furnish his opinion as to whether a portion of the money received from the sale of water bonds may be expended for the construction of a water distribution system in such portions of the city as are now inadequately supplied; also whether the Spring Valley Water Company can be obliged to supply water to such system if constructed, the city paying therefor at meter rates under the city ordinances, and the City Attorney is further requested to suggest any other legal plan by which the city may compel or induce the furnishing of water to those now inadequately supplied.

Ayes—Supervisors Bancroft, Cutten, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—17.

Fire Commissioners to Install Fire Hydrants in Parkside District.

Also, Resolution No. 7900 (New Series), as follows:

Resolved, That the Board of Fire Commissioners be and is hereby requested to install seven fire hydrants in the Parkside District at the various locations to replace the present fire plugs now in service in the said district.

UNFINISHED BUSINESS.

Budget 1911-12.

The following Bill heretofore passed for printing was taken up:

Bill No. 1773, Ordinance No. — (New Series). An ordinance fixing and appropriating the aggregate sum and the items thereof allowed to each Department, Office, Board and Commission for the fiscal year ending June 30, 1912, and making a budget of the same.

Explanation of Votes of Minority.

Supervisor Murdock submitted the following matter as an explanation of the votes of the minority which on his

motion was ordered spread at length in Journal:

San Francisco, June 5, 1911.

To the Board of Supervisors:

The undersigned, members of the Board, elected by the people of the city to share with their fellow members the responsibility of legislating for the municipality, beg leave to express the considerations that induce them to vote for the ordinance covering the tax levy for the coming year.

As a matter of justice to the majority, we would at the outset admit that a very large part of the increase in the rate of taxation results from causes beyond the control of the Board of Supervisors. When the legislature of the State, or the voters through direct legislation impose payments that must be met, no blame can attach to Supervisors for assigning the necessary funds.

It must also be borne in mind that the results of the disaster of five years ago could not be met in one year's emergency levy, but caused added expenditures that still persist and will constitute a burden for years to come.

To expect the extraordinary expense of restoring city property and meeting the absolute needs of the municipality to be kept within the dollar limit is utterly unreasonable unless the valuation of property is materially advanced, and the Supervisors are wholly justified in exercising the provision of the charter that allows, by unanimous vote, in cases of any great necessity or emergency, a temporary suspension of the established rate.

In the past two years the annual budget has increased \$1,500,000,—a little over 14 per cent. Of this \$425,000 is for increased payments on interest and redemption of bonds, and an uncertain proportion has been made necessary through the growth of the city.

This year a very clear emergency arises from the withdrawal from the assessment roll of corporation property to the estimated amount of \$75,000,000, so that the necessity of a special tax cannot be questioned.

The ordinance submitted embodies the deliberate conclusions of the Finance Committee as to the requirements of the city for the coming year. Not being represented on that important committee, we are not in a position to absolutely know, but from the frequent increase in both positions and salaries during the year we believe that economies can and ought to reduce the expenses of various departments. On the passage to print of the present ordinance, we made every possible effort to reduce the budget, making the test on the very modest amount of \$46,000, which would have saved one cent on the tax rate, but when it is apparent that the reduction would entail reduc-

ing salaries or discharging employees our appeal was denied.

A special tax we believe to be necessary and unavoidable, but we think it ought to be less in amount. The suspension of the tax rate requires a unanimous vote, and if we fail to support it the city will be without an income from taxation. Under the circumstances we do not feel justified in withholding our support from the ordinance because of our doubts, but ask that this explanation of our position be incorporated in the minutes.

Very respectfully,
PAUL BANCROFT,
EDWARD L. CUTTEN,
MATT HARRIS,
J. EMMET HAYDEN,
OSCAR HOCKS,
CHARLES A. MURDOCK.

Final Passage.

Whereupon, the foregoing Bill, heretofore passed for printing, was taken up and on motion finally passed as Ordinance No. 1584 (New Series), by the following vote:

Ayes—Supervisors Bancroft, Cutten, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—17.

PRESENTATION OF BILLS AND ACCOUNTS.

Demands upon the treasury amounting to \$8861.34 and entered in Register of Demands No. 10 (New Series), and numbered consecutively therein 29,161 to 29,324, inclusive, were presented, read and referred to the Finance Committee.

REPORT OF FINANCE COMMITTEE.

The Finance Committee, by Supervisor Kelly, reported in favor of allowing the demands heretofore read and referred, said Committee having duly examined and approved the same, and on his motion, said demands were so allowed and ordered paid by the following vote:

Ayes—Supervisors Bancroft, Cutten, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—17.

NEW BUSINESS.

Adopted.

The following Resolution was adopted:

Awarding Contract for Lighting Streets and Public Buildings.

On motion of Supervisor Walsh: Resolution 7905 (New Series), as follows:

Resolved, That the contract to light the streets and the outlying districts of, and all public buildings (except school buildings) of the City and County of San Francisco with gas and electricity, and for supplying

power for all purposes for the term of one year commencing July 1, 1911, and ending June 30, 1912, in strict accordance with the specifications and advertisements inviting proposals thereon, be and the same is hereby awarded to the San Francisco Gas & Electric Company, a corporation, at the hereinafter designated prices, said company being the lowest responsible bidder, to-wit:

For each single burner gas lamp, lighted all night, (6) six cents per lamp per night.

For each gas triple lamp cluster, lighted until 12 o'clock, or all night, (5) five cents for each lamp of the cluster per lamp per night.

For a single lamp or a triple lamp cluster used all night where two lamps of the cluster are extinguished at midnight, (6) six cents.

For each electric arc lamp, lighted all night, (19) nineteen cents per lamp per night.

For each electric arc lamp, lighted until midnight, (13 1/2) thirteen and one-half cents per lamp per night.

For each electrolier of the type now in use in the down town retail shopping district, lighted all night, (17) seventeen cents per electrolier per night.

For furnishing gas to public buildings, offices, yards and public places, the sum of sixty (60) cents per 1000 cubic feet.

For electric current for lighting purposes, the sum of three (3) cents per kilowatt hour.

For electric current per power purposes the sum of three (3) cents per kilowatt hour.

For each arc lamp inside public buildings or grounds adjacent thereto, when not connected with a metered service, the sum of two and one-half (2 1/2) cents per lamp hour.

Provided, That the sureties on the bond of the San Francisco Gas and Electric Company, which bond is hereby fixed at \$45,000.00, shall be satisfactory to his honor the Mayor, who is hereby authorized to enter into said contract, subject to the following conditions, to-wit:

That said San Francisco Gas & Electric Company shall, during said term of one year, from July 1, 1911, to June 30, 1912, light the public streets and outlying districts of the city and county with not less than 5000 gas lamps and not less than 2500 electric arc lamps during the said term.

Of the above 2500 electric arc lamps 2450 shall be lighted all night and the remaining 50 may be extinguished at midnight, as is the practice at the present time, it being distinctly understood, however, that the city and county may during the

period of said term order any and all said last mentioned lights to be lighted all night, subject, however, to the increased scale for all night lighting as hereinabove provided.

The term of lighting and extinguishing shall be as follows:

Are lights shall be lighted three-quarters of an hour after sunset and shall be extinguished not earlier than three-quarters of an hour before sunrise, excepting, however, the aforesaid 50 lights extinguished at midnight. In the case of gas lamps the last lamp shall be lighted not later than one hour after sunset and the first gas lamp shall be extinguished not earlier than an hour and a quarter before sunrise, provided, that the last lamp shall not be extinguished earlier than fifteen minutes before sunrise.

Deductions for lights not burning shall be computed at the rate of (6) six cents per night for single burner gas lamps; 5 cents per night for each lamp of an all-night or 12 o'clock triple lamp cluster, except where one of the lamps of a triple-lamp cluster should continue to burn all night, then the deduction charge for that lamp shall be (6) six cents per night, (19) nineteen cents per night for each all-night electric arc lamp and (13½) thirteen and one-half cents per night for each 12 o'clock arc lamp.

It is understood that in order to facilitate extinguishing, all 12 o'clock triple lamp clusters shall be grouped and contiguous.

Ayes—Supervisors Bancroft, Cutten, eDasy, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—17.

Whereas, The Board of Supervisors, by Resolution No. 6577 (New Series), adopted September 19, 1910, authorized and empowered the Public Utilities Committee of this Board to open negotiations with the Spring Valley Water Company in an effort to purchase the properties of that company; and

Whereas, Several conferences have been held by your Committee and representatives of the company and a list of the properties which have been acquired by the company since January 1st, 1910, was submitted to your Committee on the 15th day of May, 1911, which additional properties the City Engineer desires to make a thorough investigation of and report upon; and

Whereas, In this investigation the City Engineer and President of the Board of Public Works recommend to your Committee that the services of Mr. John R. Freeman, now Consulting Engineer of this City and County in its water supply investigations be utilized as an associate of the City Engineer in determining the values of these properties:

Therefore Resolved, That the Board of Public Works be authorized and empowered to effectuate the above recommendation.

Further Resolved, That they be requested to commence their investi-

gation immediately and make their report to the Public Utilities Committee without delay, to the end and that the negotiations that have been pending may be brought to an early conclusion.

Stable Permits.

The following resolution heretofore passed for printing was taken up:

Resolution No. — (New Series). Granting permission, revocable at will of the Board of Supervisors, and in accordance with sections Nos. 197 and 198 of Ordinance No. 1008 (New Series), to the following named to maintain stables at the hereinafter described locations, to wit:

H. Mitchell, 1003 Sansome street, for four horses.

B. Pope, 1409 Valencia street (rear), for two horses.

Privilege of the Floor.

H. W. Leselle, representing the Mission Promotion Association, was granted the privilege of the floor and addressed the Board, protesting on behalf of said association against the granting of a permit for a stable to B. Pope, at 1409 Valencia street. He declared that he was a member of the Police and Sanitation Committee of the Mission Promotion Association and as a member of said Committee had reported in favor of said stable at the location named, but that the association had adopted the report of the majority of said Committee, which had reported adversely to said stable.

W. Gallagher, representing the Mission Promotion Association, stated that he had property adjoining the proposed stable and declared that the existence of a stable at said location would be a nuisance and a menace to his property and would increase the fire hazard. He declared further that the notice that permission for a stable had been applied for had been posted in the rear of the lot and for that reason he did not know of the intention of the petitioners sooner.

Leslie Briggs, Pastor of the Bethany Congregational Church, also addressed the Board, stating that the notice had been posted in the rear of the lot instead of in front where surrounding property owners could be advised of the intentions of the petitioners. He declared that if the permit was granted he would have a stable on each side of his Church. He protested against the granting of the permit.

Action Deferred.

Whereupon, on motion of Supervisor Murdock, the foregoing resolution was *laid over one week*.

Final Passage.

The following matters, heretofore passed for printing, were taken up, *finally passed* by the following vote, and numbered as follows, to wit:

Spur Track Permit.

On motion of Supervisor Nolan:

Bill No. 1775, Ordinance No. 1587 (New Series), entitled, "Granting permission, revocable at will of the Board of Supervisors, to Blinn Estate Company to construct, maintain and operate a spur track from a point on Second street one hundred and seventy-five (175) feet, more or less, south of the southerly line of Brannan street, thence continuing easterly on a curve to the left sixty (60) feet, more or less; thence by a reverse curve to the west, crossing Brannan street to and into the property of the Blinn Estate Company, a corporation, on the northwest corner of Second and Brannan streets; being a portion of 100 Vara Lot No. 359."

Ayes—Supervisors Bancroft, Cutten, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—17.

Full Acceptance, Certain Streets.

Bill No. 1776, Ordinance No. 1588 (New Series), entitled, "Providing for full acceptance of the roadway of California street, between Twenty-first and Twenty-second avenues; Harrison street, between Precita avenue and Norwich street; Abbey street, between Chula lane and Seventeenth street; crossing of Murray street and Richland avenue."

Ayes—Supervisors Bancroft, Cutten, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—17.

Conditional Acceptance, Certain Streets.

Bill No. 1777, Ordinance No. 1589 (New Series), entitled, "Providing for conditional acceptance of the roadway of Nineteenth avenue, between Geary and Clement streets; Anza street, between Tenth and Eleventh avenues."

Ayes—Supervisors Bancroft, Cutten, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—17.

Ordering Street Work.

Bill No. 1778, Ordinance No. 1590 (New Series), entitled, "Ordering the performance of certain street work to be done in the City and County of San Francisco, approving and adopting specifications therefor and authorizing

the Board of Public Works to enter into contract for doing the same.

Ayes—Supervisors Bancroft, Cutten, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—17.

Extensions of Time.

Resolution No. 7948 (New Series), Granting the Federal Construction Company an extension of ninety days' time from and after June 19, 1911, within which to complete the contract for paving the crossing of Geary and Boyce streets.

This extension of time is recommended by the Board of Public Works for the reason that the contractor was delayed by the inauguration of public proceedings for the construction of artificial stone sidewalks and brick catch-basins on this crossing.

Further Resolved, That the fee for advertising this Resolution be and the same is hereby remitted.

Ayes—Supervisors Bancroft, Cutten, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—17.

Resolution No. 7949 (New Series), Granting Flinn & Treacy an extension of ninety days' time from and after May 21, 1911, within which to complete the contract for the construction of granite curbs and pave with asphalt the roadway of McAllister street, between Willard street and Arguello boulevard.

This extension of time is recommended by the Board of Public Works for the reason that the official lines of this street are at present in litigation.

Further Resolved, That the fee for advertising this Resolution be and is hereby remitted.

Ayes—Supervisors Bancroft, Cutten, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—17.

Resolution No. 7950 (New Series), Granting Flinn & Treacy an extension of ninety days' time from and after May 29, 1911, within which to complete the contract for the following street work, to wit:

Seventeenth and Temple streets, intersection.

Seventeenth and Douglass streets, crossing.

Seventeenth and Ord streets, crossing.

Seventeenth street and Corbin place, intersection.

Seventeenth and Mars streets, intersection.

These extensions are granted upon the recommendation of the Board of Public Works, filed May 13, 1911, for the reason that the contractor was de-

laid on account of the installation of the pipes for the high pressure water system for fire protection.

Further Resolved, That the fee for advertising this Resolution be and the same is hereby remitted.

Ayes—Supervisors Bancroft, Cutten, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—17.

Resolution No. 7951 (New Series). Granting Healy-Tibbitts Construction Company an extension of ninety days' time from and after May 28, 1911, within which to complete contract for Section "C" of the Division street sewer.

This extension of time is granted upon the recommendation of the Board of Public Works for the reason that the Southern Pacific Company maintained passenger and freight traffic over the track on the right of way of the sewer up to a few weeks ago, which made it impracticable to proceed with the work.

Ayes—Supervisors Bancroft, Cutten, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—17.

Blasting Permit.

Resolution No. 7952 (New Series). Granting the Keystone Construction Company permission, revocable at will of the Board of Supervisors, for a period of ninety days from the date of approval of this resolution, to explode blasts for the purpose of excavating in the construction of the sewer under Contract 32, known as "Contract to construct the Mission viaduct and appurtenances"; provided, that said permittee shall execute and file a good and sufficient bond in the sum of two thousand five hundred dollars (\$2500.00), as fixed by the Board of Public Works and approved by his Honor the Mayor, in accordance with Ordinance No. 1204; provided, also, that said blasts shall be exploded only between the hours of 7 a. m. and 6 p. m., and that the work of blasting shall be performed to the satisfaction and under the supervision of the Board of Public Works, and if any of the conditions of this resolution be violated by the said above named corporation, then the privilege and all rights accruing thereunder shall immediately become null and void.

Ayes—Supervisors Bancroft, Cutten, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—17.

Indefinite Postponement.

The following bill heretofore passed

for printing was taken and on motion indefinitely postponed:

Water Rates Ordinance.

Bill No. 1781. Ordinance No.— (New Series), Regulating the monthly rates of compensation to be collected by any person, company or corporation engaged in the business of supplying water to the inhabitants of the City and County of San Francisco for family uses, for private purposes, for municipal uses and for all public purposes of said City and County for the year commencing July 1, 1911, and ending June 30, 1912.

Communication From Spring Valley Water Company, Relative to Omission in Water Rates Ordinance.

The following communication in explanation of the above was presented and read by the clerk:

San Francisco, Cal., June 10, 1911.

Honorable P. H. McCarthy, Mayor, Crocker Bldg., City.

Dear Sir: Confirming my conversation with you apropos of the 1911-1912 Water Rates Ordinance. I would say that the text of the document now being officially published in the "Bulletin" is defective, inasmuch as it does not contain the clause reading:

"No monthly meter bill to be less than one and 80-100 dollars (\$1.80), except as hereinafter provided," which formed part of all water rate ordinances which have been established in this city during the last twenty years, at least. The omission, which is evidently accidental, ought to be corrected without delay, so that any legal complications touching the number of publications to be made by the newspaper may not arise.

While the matter of the meter minimum is a very small one from the standpoint of the water consumers (dwelling houses being wholly exempt from the operation of the meter provisions of the ordinance), its elimination would effect a great hardship upon the Spring Valley Water Company. Logically, this company ought not to be obliged to install and maintain a metered service unless it is assured of receiving a fixed minimum income therefor.

A copy of the 1910-1911 ordinance is inclosed herewith. The clause omitted in the document now being printed is marked in red.

Very respectfully yours.

S. P. EASTMAN.

PRESENTATION OF BILLS AND ACCOUNTS.

Demands upon the treasury amounting to \$209,697.78 and entered in Register of Demands No. 10 (New Series), and numbered consecutively therein 29,331 to 29,726, inclusive, were presented, read and referred to the Finance Committee.

REPORT OF FINANCE COMMITTEE.

The Finance Committee, by Supervisor Kelly, reported, in favor of allowing the demands heretofore read and referred, said Committee having duly examined and approved the same, and on his motion, said demands were so allowed and ordered paid by the following vote:

Ayes—Supervisors Bancroft, Cutten, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—17.
